A dog story with a happy ending

Lem Martin's dog went on a rampage last week...killed four of Ed Carey's best hens.

Naturally, Ed was pretty mad. Went around vowing he was going to get his shotgun and blow the blazes out of Lem's dog when he saw him. And Lem says, "Let him try it and I'll blow the blazes out of him. Ought to keep his chickens locked up, anyhow."

But Ed and Lem are really mighty sensible fellows. And the whole thing was settled when Lem invited Ed over for a glass of beer, and they sat around

were a kind of joke.
"Shucks," says Ed, "them
hens didn't amount to much nohow." And Lem says: "Just the same I'm bringin' you a barrel o' apples to pay for 'em."

From where I sit, it would be a lot better for the world if folks would settle their arguments peaceful-like-sitting around over a friendly glass of beer-instead of going off half-cocked, and making mountains out of molehills.
