Farmers Plan Greater Buys in War Bonds

In spite of an "off" season so far as income is concerned, farm War Bond leaders are now making preparations for selling more bonds to farmers during the Seventh War Loan than in any previous Drive, according to M. L. Fredmore, Chief of the Agricultural Section, War Finance Division, Treasury Department. With the help of country bankers they're out to convince the men who till the soil that they should convert their expanded bank accounts into bonds.

"Farmers, like all Americans, have been building up bank deposits and currency holdings ever since the war started," Fredmore said. "On January 1, 1920, agriculture held currency and bank deposits totaling slightly over 4 billion dollars. The 1945 figure is not available, but it is expected to be in excess of 10 billion."

With larger operations and increased costs farmers must have more operating capital than in 1940, but they don't need 10 billion, in Fredmore's opinion. He believes farmers can and will put a substantial portion of these cash reserves into War Bonds.

When they go out to sell War Bonds to farmers in the Seventh, War Finance Committees throughout the nation will stress personal solicitation. A survey made following the Sixth War Loan showed that 57 percent of the farmers who were personally solicited bought bonds.

Pvt. Roland Barbour Writes From Germany

Friends will be interested in the following letter received from Private Roland S. Barbour, son of Mrs. Arrah Barbour.

Sunday Afternoon
May 13, 1945.
Germany

Dear Mama,
Well today is Sunday — Mother's Day. I do hope you have had a very happy one. At least you know that this part of the war is over. I know I'll be home next year to be with you on Mother's Day.

I went to church in a German Lutheran Church today. It was truly a wonderful and beautiful church. I enjoyed the church service very much. Only wished it was back home.

It seems mighty funny to be walking in the streets that I know Hitler has walked in. It also seems funny to be in his own backyard. The people try to be friendly, but the boys who have fought and lost buddies over here know the kind of people they are so we let them alone.

Guess V-E Day was quite a celebration in the States. Everyone over here (the ones who have been on the front) have lost too many friends and buddies to celebrate too much.

Again I hope you are well and have had a wonderful Mother's Day.

Love Always,
SHELTON.

How A Local Boy Found Missing Dog

On Saturday morning Carl K. Parrish Jr., twelve years old, went with his father to Ford Motor Company in Smithfield to have some parts adjusted on a car. While waiting the two walked to the hospital to see a sick relative. As they passed one of the homes on the way, Carl Jr. saw a dog on the lawn. To his Dad he said, "Isn't that Tiny?" Convinced that it was, on the return trip through Smithfield, they stopped at the rationing board. Seeking the ceiling price office hurriedly, Carl Jr. rushed in. To Mrs. J. V. Chamblee he spoke, "Aunt Maggie. Daddy and I were walking to the hospital this morning and guess who we saw?"

"I don't know. Who?" Aunt Maggie responded in her usual animated way. "Tiny," came the answer.

With that Aunt Maggie jumped up from her desk chair and away she and Carl Jr. went to claim her dog that had been missing for months. Reaching the home where the dog had been seen she learned that the dog had taken up there months previously.

As Mrs. Chamblee called "Tiny", the dog leaped in her car, and as they drove away, the lady who had well cared for the lost dog said, "Goodby, Bob".

Motorists Promised An Increase In Gasoline

A Washington news item says that American civilians will get an increase in their gasoline allotments at an early date.

Beginning June 11, B-card ceilings will increase to 600 miles per month throughout the country, whereas in the Eastern states B-card ceilings are now 325 miles per month. Not all B-cards will rate an increase, but it will be up to the motorist to convince the rationing board that he should get an increase, and the same thing is true of holders of C-cards.

On June 22 A-card holders may get a 50 per cent increase, from 4 to 6 gallons.

Bible Questions

Question—Where can I find some good prayers? I don't know how to pray properly.

Answer—Read the Psalms. There you will find prayers appropriate to almost every human experience.

Q.—My best friends do not understand my trouble. What can I do?
A.—Pray to God. Psalm 103:13, 14: "Like as a father pitieth his children, so the Lord pitieth them that fear Him. For He knoweth our frame; He remembereth that we are dust."

Q.—I thought the word "meat" in the Bible always means "flesh." Am I wrong?
A.—In Genesis 1:29 it refers to fruits, grains, and nuts, and has the meaning of food. "And God said, Behold, I have given you every herb bearing seed, which is upon the face of all the earth, and every tree, in the which is the fruit of a tree yielding seed; to you it shall be for meat." The word "meat" is used in this sense in other places also.

Q.—Do you believe in marriage?
A.—The Bible says it is honorable. Hebrews 13:4. When God instituted marriage, He said, "It is not good that the man should be alone." Genesis 2:18. Christ honored a wedding with His first miracle at Cana in Galilee, John 2:11.

Q.—Isn't any preaching that disturbs our peace of mind wrong?
A.—One day Jesus preached at Nazareth, "and all they in the synagogue, when they heard these things, were filled with wrath." Luke 4:23. Was His preaching wrong or right? Read Acts 2:37: "Now when they heard this, they were pricked in

their heart, and said unto Peter and to the rest of the apostles, Men and brethren, what shall we do?" Was the preaching of the apostles wrong or right? Stephen preached before the Council, and "when they heard these things, they were cut to the heart, and they gnashed on him with their teeth." Acts 7:54. The apostle Paul preached on the castle stairs and declared that God had commissioned him to preach to the Gentiles. "And they gave him audience unto this word, and then lifted up their voices, and said, Away with such a fellow from the earth: for it is not fit that he should live." Acts 22:22. Was Paul's preaching wrong, or right?
