THERE is a form of insanity in which the patient loves, not avoing human beings, but corpses. Only crazy people prefer dead things to living. And yet there are people so far from normal that, they love dead religion rather

ad religion rather thanvital religion. In fact, there is so much non-vital religion in the world, so much dummy religion, machine-made imitation of the imitation of the real thing, that some people make the mistake of

Dr. Foreman supposing dead religion to be the only going vari-ety, the only kind available, and so they can't be blamed for want-ing no part of it.

Vital religion is big.

Vital religion is big In the time of Christ, Jesus had His irroubles and struggles with men who had a dead sort of rati-gion. His vital religion shoeling them, even ingered them. They and they didn't like Him. One dif-ference between the Be Pharisees religion and the religion of Jesus, was that they were more con-cerned with trifles than with big-institer. They were more particu-institer. They were more particu-institer. They were more particu-ier dishes in certain prescribed ways, than about what want into Jesus reminded them that they were no busy counting the little presen haves in their vegotable matter things, such as justice and the love of God. Religion is vital when it is big, concerned with big ideas, duties, hopes. It is vital when it is big, concerned with big ideas, duties, hopes, it is vital when it is big, concerned with big ideas, duties, hopes, it is vital when it is big, concerned with big ideas, in true perspective. It is billad when it looks beyond the Blings in true perspective. It vital when it looks beyond the orizon to God's children every-here. Non-vital, trilling, dead Iways was, it is por

Vital religion topes forward

What religion faces forward and the Dispersion Jesus made a disc Dispersion was that they disc Dispersion was that they dispersion of the second tradition. All men, Beloding true Chris-dispersion of the second tradition. All men, Beloding backward for not doing something they plainly ought to do: "I've never done it before." Religion that keeps a memory book but no hop chant is not vital. It may be a interesting antique, a qualit she ston; but it is not vital. Tradition is not a bad thing in the second to be the second to be a interesting antique, a qualit she ston; but it is not vital. about Jernis, a substitu-about Jernis, a substitu-about and Uving faith sate into the gyres like a that once connot nee wi weeks around us is like w resolutes us, into booking rd instand of for wand, whe ecupies any minde that J the only food for wand, whe ecupies any minde that J the only food for wand, whe ecupies any minde that J the only food for wand, whe ecupies any minde that J the only food for wand, when ecupies and hearts the ends and hearts the But when tradition reight of our encenters but not projudices, and would au ute their dead minds for our ng ones, then tradition has a
