Appalachian Again Selected As Site Engagement For Summer Language Institute

Boone - Appalachian State Teachers College has again been selected by the U. S. Office of Education to conduct an eight-week Summer Language Institute on campus from June 13 to August 6 for 30 high school teachers of French and 30 of Spanish.

The annuoncement is made by Dr. W. H. Plemmons, president of the college.

These institutes are conducted under the specialists in their fields, successful high school teachers, and six native - speaking conversational assistants will conduct the classes and the institute last who were in the institute last summer will be back this summer. More than half of the staff are natives of French speaking or Spanish speaking countries.

These institutes are conducted under the specialists in their fields, successful high school teachers, and six native - speaking conversational assistants will conduct the classes and the classes and the control of the staff who were in the institute last summer will be back this summer. More than half of the staff are natives of French speaking or Spanish speaking countries.

Participants may receive \$75 per week for the eight weeks of the institute and \$15 per week for each gium and Luxembourg.

the college.

These institutes are conducted under the sponsorship of the National Defense Education Act. There are approximately 50 other colleges and universities across the nation which will conduct institutes.

will conduct institutes.

According to Dr. J. Roy Prince, head of Appalachian's language department who will direct the institute, teachers selected to participate will undergo an intensive program of work and study designed primarily to improve their ability to pronounce, speak, and understand languages

tration of new methods and equipment in language teaching and will acquaint participatins with important facts about the people whose language they are studying. Those completing the program successfully may receive graduate credit at

Participants will live together in a language house, take their meals together and live the language while at the institute. They will be expected to speak only the language being studied at all times when feas-ible - in classes, on the campus, at meals, on trips, and in the language

Classes in general will be contduced in the languages.

ACTIVE INGREDIENTS:

32.66% INERT INGREDIENTS: ... TOTAL

DIRECTIONS FOR MIXING

Mix 3 lbs. BACCO-BED (R) Wettable Spray Powder in 50 gallons of water. Keep well mixed.

Net Weight 3 Pounds

BACCO-BED

Wettable Spray - Powder

DIRECTIONS FOR USE

TOBACCO: — Blue Mold, Anthracnose, Flea Beetle, Midge and Crane Fly Larvae and Cut Worm in Plant Beds: Make first application when insects first appear. Apply 3 gallons of spray per 100 square yards for first two applications. Make third application of 5 to 6 gallons per 100 square yards just prior to pulling. Repeat any applications washed off by rain within 24 hours. These applications replace 3 regular applications for control of Blue Mold and Anthracnose.

CAUTION:-Harmful if swallowed. Avoid breathing dust or spray mist. May cause irritation of eyes nose, throat and skin. Avoid contact with eyes, skin or clothing. In case of contact, flush with plenty of water; for eyes, get medical attention. Avoid contamination of feed and foodstuffs. Keep away from fire and sparks.
