Service must be a tired word. It is worn thin by being over-used on less than first-rate occa-

by Foreman when the thing you bought breaks down they'll send help to get it started again; they will make right what should have been right in the first place.

One of the more astonishing facts about Jesus was that He could take an old word and give it a new meaning which it has never entirely lost. One of these is this word "Service." For one thing, He made it a term of honor. He told His friends that the way to greatness is the way of service. He who be greatest of all, let Him be servant of all. He Himself consciously fulfilled the prophecies of the "servant and trage" in the inter half of our book of Issiah, in which the "Servant of the Lord" is described in moving and tragic words. He told His disciples in one

ervice can be heroic

Service, as Jesus naw it and performed, it, was no triffe, no humbrum job. It became a mark of honor. Not only that, it rose at times, to the heroic. When James, and John came anking to sit on thrones beside His (for it was long before they get it through their heads that Jesus was not almort for the traditional crown and acepter business) — Jesus saked them first it they rould be here.
