Spirit In Duplin County Just Keeps Rolling Along

We are continually amazed at new get-up- and go spirit which minates Duplin County.

We had another manifestation of the other day in the size of the polin delegation to New York to ein sell North Carolina at the New Sales Executives affair. Duplin a crowd of 11 people to the me-olis. They came from all parts of strictly rural county, from Wallace. Warsaw, Chinquapin and from out in the sticks.

Wayne County, a much larger county population - wise, sent four to the Gotham affair. We would add that Jim Latta of Goldsboro was the enrollment chairman for Wayne and lace helped do recruiting also.
But that is only one angle of the

new spirit in Duplin that just keeps rolling along. The county within a stort time will dedicate a fine new country club and golf course,

A short course of several lessons on tourism in Duplin has won excelent attention and interest. Lectures no demonstrations on the place of tourism in Southeastern North Carolina have been presented by competent authorities in various fields. Duplin has long and splendid history which its own people will appreciate

more because of the study course

Duplin is going great guns in the new farm project to increase income Even before this new step was inaugurated, Duplin had stepped forward as the number one agricultural county of North Carolina. Poultry, swine and turkey growing, plus truck crops, plus tobacco, plus small fruits had been developed to offer an excellent balance.

Wallace, under Cording, is building a first class airport to serve its public and particularly the executives of Stevens textiles, biggest in-

experimentation.
Teachers and researchers do this work. To enable them to fulfill so responsible a role effectively, the college president usually accords a special privilege not given to any

other group in our society. It is called academic freedom.

This freedom permits the teacher, so long as his honest thinking dictates it and he stays within his field, to take issue with views held by the majority of our ditizenty, to contest views of his classest polleagues even if they outrank him, or to oppose views of his boss- the col-college pre-

oppose views of his hoss, the college president himself.

The theory behind this unique liberty granted to teachers is that it is a safeguard for society. Someone is needed to test and evaluate what we think and do as individuals
