Shrinks Hemorrhoids Without Surgery Stops Itch-Relieves Pain

For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain — without surgery. In case after case, while gently relieving pain, actual reduction (shrinkage) took place. Most amaxing orall — results were so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!" The scoret is a new healing substance (Bio-Dynes)—discovery of a world-famous research institute. This substance is now avalable in suppository or of atment form called Preparation He.
