Dear Friends:
Why is Douglas Fir the most widely used lumber in our country today?
It gives you **QUALITY!** Strong - straight - workable. Ours is old growth! Fine grain, 90% heart lumber. It gives you **VALUE!** Costs less with labor saved. We give you **SERVICE!** Fast, dependable, jobsite delivery from stocks of over two million feet. It is **PREFERRED NATIONALLY!** Yes, from the Pacific, to the Atlantic, to the Gulf — thousands of contractors now stock, use, and prefer it.

Douglas Fir alone, makes up more than half of all soft wood production in this country. It must be good! Try it, yourself!
