Is the standard of honesty declining in America? In what sense

all stealing from God? Those enter into covenant with God, God and their fellow men. nesty is one of those basic morprinciples upon which all human rests. Almost all ishonesty is

titude toward honesty. Grand is the mother of most of our troubles. It is responsible for most of the ware that afflict us, whether in the home, in industry, in polities, or between nations, or races. It caused more quarrels and bitterness, heartaches, and breaks more of the laws of God than any other form of selfishness that has ever appeared in the world.

Every man since Adam has had to recken with greed, either in himself or in others, greed is usually the cause for stealing. Greed generally brings a bitter end, Dishanesty is a device which makes its advance even to the most upright in heart. Our only defense is our quick rejection of evil, and the placing of our lives compeletly in the hands of God.

Now it is not psychologically pessible to have exactly the concern for people that God has, for one simple reason. His mind is infinite and ours is not.
