Magnolia Boy Apparent Victim Of Hit And Run Driver Saturday

Parnell Carr, a Magnolia Negro boy 18 years of age, was apparently killed by an automobile on Saturday night. Carr died in Duplin General Hospital at about 6:30 A. M. on Sunday morning.

David Allen Drew, a young white man of Magnolia found Carr around 2 a. m. on the Delway-Magnolia highway, about three-tenths of a mile north of Magnolia. He was lying in the road and Drew had to go around his body to keep from running over him.

After a physician and the state highway patrol were called, Carr was taken to Duplin General Hospital. He had severe head injuries, and abrasions about the hips.

State Patrolman L. C. Jackson in that apparently Carr was the victim of a hit and run driver but that investigation is being continued.

Eleanor Hill To Attend Governor's School At Salem

Mr. and Mrs. Whitford Hill of Pink Hill were in Winston-Salem Saturday to accompany their daughter, Miss Eleanor Hill, who has been selected to attend the Governor's school in session at Salem College June 10, through August 2. She will be studying in the area of social science.

The Governor's School of North Carolina is an eight week Summer session to be held at Winston-Salem from June 10 to August 2, for highly gifted students.

The 384 students to whom invitations have been mailed were selected from 180,000 in the State. They will have an opportunity to participate in an unusual academic and artistic program designed to stimulate creativity and original thinking. The students selected come from 112 of the state's 173 school systems.

The boys and girls will live, eat, sleep, study and play in the campus of Salem College at Winston-Salem. The entire program will be free to the students. The program is being financed for three Summers through a \$225,000 grant from the Carnegie Corporation of New York and another \$225,000 from foundations and industries in Winston-Salem.

The idea for a state-operated public school geared to the special needs of unusually bright and talented high school students was Gov. Terry Sanford's. Gov. Sanford secured the grants which will enable the experimental school to operate. Students will spend the Summer concentrating in one academic or artistic area in which each is particularly gifted, will spend at least two hours each day exploring through lectures, discussion and debate some of the essential ideas of man, will have an organized recreation program and will be exposed to some of the leading personalities in the nation who will appear as formal lecturers.

There will be dramatic, musical and dance productions throughout the Summer. Most students will be expected to conduct independent research in their respective fields during the Summer and may will write on their work.

Fifty-five students were selected in the area of English, 30 in foreign language, 33 in mathematics, 47 in natural science, 56 in social science, 18 in fine art, 26 in drama, 35 in dance, 41 in chore music and 43 in instrumental music.

Trial & Error

The fellow who told me this story named it "The Typical American", and I heartily agree with him.

He said he was in the drug store recently when a young boy, about a second grader came in and said he had \$3.10 to spend and "What can I buy with that much money?" Finally he would up at the magazine rack to look over the funny books. He selected a stack about four or five inches thick, and said he had to catch up on his reading.

When he went to pay for the books he ordered a 10c Coca Cola and put his money on the counter. He only had \$1.95. The lady working in the store suggested to him that he buy 10 funny books and his drink and then he would have some change left.

He said, "No, I want to spend the last cent of it now."

Driving around in a wrecked car is not too bad if you remember to use the hand signals. Since driving my wrecked car, I have to concentrate to remember the hand signals. It gets to be real comical at times. People think that I am waving at them and they wave back just as if they knew me. It is funny how little habits that at one time were so automatic and necessary become outdated so quickly.

I sincerely hope that this weather suits all you summer lovers.
Ruth

Pink Hill Ruritan Support Summer Recreation Plan

The Pink Hill Community Ruritan Club met in regular session Thursday night, 40 members present. Floyd Dall Inseption Div. of the U. S. Department of Agriculture spoke on the Tobacco Grading System for 1963.

Reports were heard on the Little League baseball team and the summer recreation program, projects sponsored by the club. The group voted to pay \$200 on the new stage curtain. An Announcement was made that Rev. John A. Wilkerson, pastor of the Pink Hill Presbyterian church, would conduct the regular 8th Sunday night Ruritan service, scheduled to be held at Bethel Baptist Church near Jones town, June 30.

Cathy Redwine Wins Art Prize

The art show sponsored by the Waccamaw Bank of Rose Hill which was held on Sunday, June 9th, was quite a success from every point of view of judges and visitors. From more than 100 entries, prizes were awarded. Among one of the mighty proud ones was little Miss Cathy Redwine, daughter of Dr. and Mrs. Oscar Redwine of Kenansville.

Kathy won honorable mention in the overall art exhibit and a \$5.00 prize for a picture of Cooper's Mill done in chalk, prior to her assignment. Kathy has had only a few lessons from her teacher, Mrs. Margaret Cooper, who said that she shows much talent and is definitely an interested student.

The winners subjects will be on exhibit at the bank for the rest of the year.

Mrs. Ella Rose Mercer Thigpen of Beulaville who graduated on Monday night, May 30 from the University Law School at Chapel Hill. She will take the Bar Exam in August, after which she will form a partnership with her father, Grady Mercer, to practice law in Duplin County and Raleigh. She was a graduate of Beulaville High School in 1956 and of Meredith College in 1960. This summer she is taking a Bar Review Course at Duke University. She is the daughter of Mr. and Mrs. Grady Mercer of Beulaville and is married to Bennie Thigpen of Beulaville.

Four Co. Electric Announces Winners

Winners in the Southeastern District 4-H Electric Demonstration Contest were announced today by Four County Electric, sponsor of the event. William Jones and Eric Wilkins of Duplin County were winners in the Boys Division. Their demonstration was entitled "Electric Hay Drying". Iris Jones and Marilyn Weeks of Sampson County were winners in the Girls Division. Their demonstration was entitled "Caring for Small Appliances."

The 4-H'ers will represent the Southeastern district at the State Contest to be held in Greensboro at A & T College later this month during 4-H Club week. As winners in the district contest, their tuition expenses to 4-H Club Week will be paid. Winners in the State Contest, sponsored by Tarheel Electric Membership Association, will receive a handsome piece of luggage.

The sponsoring organization, Tarheel Electric Membership Association, is the statewide trade-service association of the thirty-three electric cooperative in North Carolina.

Health Clinic Dates Announced

Dr. Powers of the Duplin County Health Department advises all parents that their children need complete immunization. "Children can be protected from some of the deadliest diseases if they have received the necessary immunization. Necessary immunization means a complete series of shots. Dr. Powers continued. All too often parents think that their children are protected because they have received one shot. Generally, this shot is just the first in a series of protective immunizations."

For effective immunization against polio, whooping cough, diphtheria and lockjaw, a complete series of shots must be given. Remember, Dr. Powers cautions, "the first shot is just that, the first is a series."

Clinic Dates
Kenansville - Health Dept. 8-4:00
Wallace-Town Hall, 1st and 3rd
Tuesday 1:00 p. m.
Beulaville, 2nd Thursday, 1:00 p. m., at Scout Hut
Chinquapin - 2nd Thursday 2:15 p. m., Dr. Boyette's office
Faison, 4th Wed., Town Hall, 1:00 p. m.
Calypso, 4th Wed., Town Hall 2:30 p. m.
Warsaw, Town Hall, 1st Mon., at 1:00 p. m.

Kenansville Scouts In Summer Camp

On June 9 several scouts of Kenansville Boy Scout Troop No. 50 started on what is possibly the annual highlight of the scouting year. A full week at Tuscarora Boy Scout Camp.

The week will be filled with swimming, life saving training, rowing, canoeing, fishing, handicraft, hiking, nature study, Indian lore, first aid training, archery, marksmanship, skeet shooting and many many other activities.

All events and activities will be conducted within the framework of the Scout Oath and Law which will give these young men some of the best citizenship training that is available today.

Stephen R. Jones, Assistant Scoutmaster and Al Payne, Senior Scout Leader, are in camp with the following scouts:

Bobby Bostic, Larry Futrell, Jimmy Hines, Julius Jones, Jackie Nethercutt and Mickey Parker. John Hall, Scoutmaster has announced that all members of the local Lions Club (which sponsors the scout troop), Scout parents, relatives and friends of Scouting are invited to join the Boys in camp for a picnic supper and campfire program next Saturday night, June 15, after which the campers will return home.

Details about the Saturday night events may be obtained from any of the following scouters: John Hall, Earl Hardy, Bill Futrell, Jimmy Bowden or J. D. Korngay.

Graduates From St. Andrews June 2

LAURENBERG, N. C. - Katie Sue Grady, daughter of Mr. and Mrs. Kenneth Grady, Kenansville, North Carolina, was among the 150 who graduated during the second commencement exercises at St. Andrews Presbyterian College on Sunday, June 2.

She received a bachelor of science degree with a major in home economics.

During her junior year she was representative from Wilmington Hall dormitory in the "Miss Lamp and Shield" beauty pageant. In her senior year she was Home Ec Club Treasurer, representative on the Student Center Board, section leader for 1962 summer school and SNEA historian.

Bloodshed

RALEIGH - The Motor Vehicles Department's summary of traffic deaths through 10 A. M. Monday, June 10, 1963:
Killed To Date 503
Killed To Date Last Year 491

Civil Defense And Medical Self-Help

Individuals and families have an essential role in National Defense, a role that is both simple and complex. Simple because it requires rather elementary preparedness measures on the part of every person. Complex because it demands that each person be ready to live on its own for two weeks - the period following a nuclear attack when outside assistance might not be available. This same preparedness is also needed after hurricanes, tornadoes, etc., which are natural disasters.

If disaster ever comes, the only way for humanity to continue would be for human life to be saved. If human life is saved, buildings, machines, and other material objects can be replaced; but unless the individual American survives, civilization cannot continue. Obviously, all persons could not survive a nuclear attack; but many would survive by accepting their personal responsibility of making the necessary preparations. Civil Defense preparedness is a type of insurance, which we all hope will never be used. Civil Defense preparation is necessary because a nuclear attack could deny the people access to doctors, nurses, and other medical personnel and facilities as well as clinics, drug and grocery stores.

There is a course available in Duplin County entitled "Medical Self-help Training," to all the people.

A Board meeting will be held at
(Continued On Page 3)

HDC

County Council Collect Seed South America

The HDC County Council met Friday, June 7, at the Agriculture Building. Mrs. J. B. Stroud, President, presided. 21 of the 28 clubs were represented in attendance. Plans were made to take a bus to the Homemakers week on Friday, June 1, provided enough people make a deposit of \$1.50 to the Home Agents office by Friday, June 14.

Mrs. David Williams, County International Relations Chairman gave a report on "Seeds for Colombia" project.

Mrs. Lawrence Southerland made a few remarks about her daughter, Eleanor's work in South America. Mrs. Williams plans to send an air mail package of seeds in the immediate future to Colombia.

It was reported that \$300 loan was approved by the Loan Fund Committee for a deserving student from Rose Hill.

Following Club Collect, the Maple Club had charge of the social hour.

Beulaville Boy Escapes Drowning

Edward Earl Carter of Rt. 2, Beulaville was almost drowned on Sunday afternoon in a creek near Jarman Forks. The 18 year old boy was saved by passing motorists and some other youths.

Members of the Jacksonville Rescue Squad revived the boy by artificial respiration at the scene and rushed him to the Onslow Hospital in Jacksonville by a Kenansville ambulance.

The boy was treated and released.

Cong. Henderson Approves New P. O. Facilities Here

Congressman David N. Henderson today announced that he has urged the Post Office Department to approve the rental of a new leased Post Office facility for Kenansville. Henderson, a member of the House Post Office and Civil Service Committee, has made a detailed study of all Post Offices in the Third Congressional District and is conferring with officials of the Post Office Department in an effort to obtain new or improved facilities where needed.

The Congressman said that he hoped to have a positive commitment from the Post Office Department in the near future.

11 Duplinites Complete R. C.

The Lenoir County Chapter of the American National Red Cross with the cooperation of the Wayne County Chapter, has just completed an Instructors' Course for the Care of the Sick and Injured. The class was held in LaGrange, in the new Woodman of the World Building. Other counties participating were Duplin, Green and Jones.

The Home Nursing Course includes instructions in preventing illness and recognizing symptoms; how to save time, energy and money, and to keep the family's routine undisturbed; how to bathe a bed patient, change his linens and make him comfortable how to carry out the doctor's orders in giving food, medicine and simple nursing treatments; how to be of valuable service to your family, friends and community in time of sickness, emergencies and disaster. Many other things are taught, such as improvising articles used in giving care. Some of these articles that can be boxes, tin cans and old nylon stockings are back rests, bed tables slippers, bandages, bed blocks, pitchers, etc.

Miss Elizabeth Eggleston, Field Representative for Nursing Services of the Southeastern Area Office, in Atlanta, Ga., was the Instructor for this course. She was assisted in setting up rooms for the classes by Mrs. W. E. Gladding of the Lenoir County Chapter and Mrs. J. T. Gaskill of the Wayne County Chapter.

Thirty Eight women who took the above course will receive The American National Red Cross Certificate authorizing them to be Instructors in the Home Nursing Course in the Care of the Sick and Injured. Eleven of these were the following from Duplin County:

Mrs. T. H. Hodges, Jr., Warsaw; Mrs. Clarence H. Hill, Warsaw; Mrs. Ben Elkins, Wallace; Mrs. Gene Wells, Wallace; Mrs. Ralph M. Cottle, Pink Hill, (RFD.); Miss Thelma Dillard, Albertain; Mrs. Clayton Herring, Rose Hill; Mrs. N. R. Matlocks, Rose Hill; Mrs. Etta Solomon, Rose Hill; Mrs. Harold Houston, Kenansville; Mrs. Theron Garner, Mt. Olive, (RFD.).

It is interesting to note that nine of the above instructors are Home Ed. Teachers through the various school districts of Duplin County and the other two are Registered Nurses with the Duplin County Health Department. It is hoped that each of them will teach a class in Home Nursing in their respective communities during the coming school year.

Monday afternoon, June 10, the Agriculture Work Council met at the Coastal Plains Research Farm in Faison. They toured the Farm and enjoyed a family cook out. Approximately 50 members attended. Mr. Frank Boyette, supt. of the Farm, conducted the tour. Committee for planning the cook out was: George Penny, Mae Splacer, Lois Britt, and Frank Boyette.

While there, they will tour Kill Devil Hill, The Lost Colony, and Kitty Hawk.

EDITORIAL

Why We Are "Country Clubbers All"

By: Ruth P. Grady

The Duplin Country Club, Inc. was blistered, to say the least, in an Editorial in 'Sunday's News and Observer'. We will agree with Mr. Daniels that there is "plenty of work left to do in connection with decent homes for rural people."

There is also a terrific need in rural areas for some forms of recreation. Plenty of Government money has been spent in the cities of North Carolina for recreation facilities in connection with housing projects. In fact the cities are getting the greatest amount of Government grants and loans. Yet in these cities where there are plenty of people to support recreation programs and where there is plenty of all types of entertainment, the need for Government Aid for amusement is not nearly as essential as in rural areas.

In the rural areas, there must be some entertainment for our youth, and for our adults. With an initial fee of \$200. for a membership in the club and dues of \$10 per month per family, it is impossible to finance a recreation program adequate for a rural community of this size.

Your double edged remark "Clearly it will be stated that this extension of the credit of the American taxpayers to provide a country club in Kenansville is for the public welfare and economic security of America" is true. Any industry seeking location in a community asks three main questions: first About schools; Second, About water facilities, and third what type of recreation can you offer? Duplin must have industry to survive. The farm program, which is the backbone of Duplin, is not enough to hold our population. A continual loss of the people from the farms and rural areas to the cities is not a healthy situation for either the rural areas or the cities. There is not much room in the city for untrained laborers.

Leaders of the rural areas feel that recreation facilities will add new interest and spur people on to greater area development. A long term loan was the only way that the club could be financed. In the care of the club are several small towns with population ranging from 500 to 2300. A small number of the club members live on farms. The club is situated in an area of approximately 9000 families with a median income of about \$2150. 300 families have annual incomes of more than \$10,000, 1200 families incomes are \$50000, and the remaining families are less than \$5000.

"THE FARMERS HOME ADMINISTRATION makes loans to groups of farmers, ranchers, and rural residents to develop water supply systems for irrigation, household, and livestock use; to drain farmland; and to carry out soil conservation measures. Loans may also be made for shifts in land use TO DEVELOP RECREATIONAL FACILITIES, grazing areas, and forest lands. These loans are made under the provisions of the Consolidated Farmers Home Administration Act of 1961, as amended by the Food and Agriculture Act of 1962."

"Loans are made only to groups who are unable to obtain the credit they need from other sources at reasonable rates and terms."

Our argument is not that the agricultural program is not "mixed up," that we will grant you! Some of the costs are unreasonable, some of the programs are "Wacky" but if the Government is going to spend money "to make every man a member of the country club set", why not let it be spent in an area where the "Country Club set" can do something for their community, something for their children and be an attractive asset to people who might like to come to our county.

75 4-H'ers To Attend Camp

About 75 4-H members are going to 4-H camp on Ronoake Island in Manteo, North Carolina. They plan to leave the Agriculture Building in Kenansville about 7:00 A. M. Monday, June 17. Plans are to spend the week in camp and return Saturday afternoon, June 22. The agents accompanying them are: Mrs. Louis Britt, Mr. Marion Griffin, and 3 4-H leaders.

While there, they will tour Kill Devil Hill, The Lost Colony, and Kitty Hawk.

Lumberton Bank Topsail Tide Table Approved To Open

C. L. Tate, President of the Waccamaw Bank and Trust Company announced today that approval for establishing a full power bank in Lumberton had been received from the Federal Insurance Corporation. They further announce they hope to be open and be ready for operation the latter part of July.
