## Humphrey's Honored With Plaque

On Sunday afternoon, July 7, Mr. and Mrs. W. Ray Humphrey, former principal and teacher of the Beulaville School, were honored with a special program on the Beulaville School hall floor.

Many of their friends gathered and waited for arrival of Mr. and Mrs. Humphrey, to whom the program and honors rendered were a complete surprise. Mr. Ramon L. Davis, former teacher of the school, opened the program with a very touching speech in which he reviewed the highlights of Mr. and Mrs. Humphrey's eighteen years of service to the school. Mr. Davis pointed out how Mr. Humphrey had so successfully been a leader and friend of the teachers and students of the school.

Mr. Arlin Albertson followed Mr. Davis with the presentation of a beautiful bronze finished plaque mounted on walnut. The plaque was engraved with the following: To W. Ray and Dorothy Humphrey in honor of their eighteen years service as principal and teacher of the Beulaville School including time, financia, and loyalty which was given freely.

Mr. Humphrey accepted the plaque with a speech expressing his and Mrs. Humphrey's gratitude for the honor and extended their best wishes to the school and community in the years to follow.

Mr. Albertson was asked to resign as principal of the Beulaville School this past spring, in honor of the local school committee which has met with much opposition from the people of the Beulaville School District. Mr. and Mrs. Humphrey are loved and associated very much in the Beulaville area, and their years of devoted service will be an asset to the community for many years to come.
