**HEADS UP WHEN YOU BACK UP!**

**PROCEED CAUTIOUSLY... LOOK LEFT AND RIGHT AND BEHIND... MAKE SURE YOUR WAY IS CLEAR!**

Thousands of collisions occur because drivers are careless when backing their automobiles out of driveways and in and out of parking spaces. And each year, hundreds of pedestrians suffer crippling injuries in accidents of this type.

Before backing your car in any situation, make certain the way is clear, the Association of Casualty and Surety Companies advises. And while you are backing up, continue to watch for cars and approaching pedestrians.
