Warsaw Boy Killed In Auto Accident

The ninth Duplin County resident to die in an auto accident this year was killed two miles north of Turkey in Sampson County Saturday night when his careening auto ran through a stop sign and smashed a power pole.

Bobby Ray Brown, 23, General Delivery, Warsaw, died instantly of a fractured skull in the single-car wreck on rural paved road 1919, according to State Highway Patrolman J. W. Laughinghouse.

Brown was thrown from the vehicle before it came to a stop upright in a ditch, 300 feet from the beginning of the vehicle's skid marks, the officer added.

Laughinghouse said Brown's death was the 11th traffic fatality of the year in Sampson County and the second this month.

The patrolman said Brown's auto, a 1956-model station wagon, was headed east on the rural paved road when it came to an intersection, ran through a stop sign, struck the small traffic island in the middle of the junction and then veered to

the right.

After the driver whipped the auto back to the left, the car struck the power pole, clipping it off and then continuing down the highway.

Roger Tucker, a 15-year-old Warsaw resident, was in the auto at the time of the accident, but was not seriously injured in the wreck, the patrolman said.

Tucker suffered cuts of the left elbow and left leg and was treated and released at the Sampson Memorial Hospital in Clinton.

Laughinghouse said the accident occurred about 8:20 p. m., but the wreck was not discovered until about 9 p. m.

The officer said the auto was declared a total loss with damage estimated at \$900.

Funeral services were held Tuesday at 3 p. m. Services were conducted in the Quinn-McGowan Funeral Chapel by the Rev. Paul Mull, pastor of the Calvary Baptist Church. Burial was in Pinecrest Cemetery.

He is survived by his parents, Mr.

and Mrs. Lester Brown; two sisters Mrs. Wilbert Wilkins of Warsaw and Mrs. David Moore of Harrells; and one brother, Lester Steve Brown of Honduras.

Trial & Error

It seems the entire week has been a "Trial and Error" it has been so busy you try to get something done and everything completed is an error.

Mr. Roscoe Jones, popular cafe operator, is about to get an additional wife.

Some ladies were in the cafe from the western part of state recently, and ate some of his delicious pie. When they went to pay their bill they inquired who the "pie cook" was. When Roscoe admitted that he was, one of the ladies remarked that if she had a husband who could cook pie like that, she would never cook again.

But you know Roscoe, he couldn't let well enough alone, so he ups and says, "That's funny for I have been looking for a wife for a long time and can't find one". Immediately the ladies had a friend who they wanted Roscoe to meet, she was a nice widow lady who needed a nice husband. Roscoe started backing out and denying the whole story, but the ladies refused to believe him. Now everytime he sees a strange lady walking by the Cafe he has to hide.

Mrs. E. S. McGowan of Kenansville received a paper this week from Omaha, Nebraska. In it was a picture of her son, Lt. Col. S. B. McGowan chief housing division D/Civil Engineering presenting the official Air Force Certificate to Edward Glass in recognition of completion of the Summer Institute in Executive Development for Federal Administrators. McGowan is stationed in Omaha Nebraska at Offutt Base which is a Missile base.

Remember the long Labor Day weekend, which brings an end to the summer vacation season, will also bring sudden and tragic death to at least 19 unsuspecting victims in traffic accidents on N. C. streets and highways, predicts the N. C. State Motor Club.

Holiday fatalities will be counted from 6 p. m. Friday, August 30 through midnight Monday, September 2, a 78-hour period. The toll last year was 17 deaths, with 10 recorded on Saturday and Sunday.

Make your Labor Day a happy one and not a statistical one.

Outstanding County Official of 1963

Faison W. McGowan, Duplin County Chairman and Tax Supervisor for the past 35 years, has been named Outstanding County Official of North Carolina for 1963.

He was honored at a meeting of the N. C. Association of County Commissioners and Accountants and County Attorneys in Asheville, last week.

The award went to McGowan in recognition of "his exceptional record of experience and service." He was cited as key figure in developing the pay-as-you-go plan for school construction on a state level, as secretary of the commission to

study public school finance appointed by former Gov. Luther Hodges, and a past president of the state association of county accountants and assessing officers.

For the past 20 years he has been chairman of the Duplin County Democratic Executive Committee.

McGowan, an active member of the Kenansville Baptist Church, was born near Kenansville and has spent his entire life in and around Kenansville. He is married to the former Pearl Cannady of near Fayetteville.

This is the fifth year that his presentation has been made.

Henderson Speaks On Discrimination

(Statement by the Honorable David Henderson (D., N. C.), Chairman Manpower Utilization Subcommittee, House Committee on Post Office and Civil Service, Relating to Discriminatory Employment and Promotion Practices In The Federal Government.)

The Manpower Utilization Subcommittee met in executive session today to lay plans to investigate complaints received by the Committee alleging certain Federal departments and agencies have put into effect employment and promotion practices that are discriminatory, due to race, creed, national origin

or sex. The following major points reflect the results of the Subcommittee meeting today:

"The Subcommittee will move ahead in a careful and deliberate fashion to assure a fair and objective approach to a personnel management area which can easily become highly warped by emotion. There will be public hearings, if and when the Members feel it necessary. Our job, as we see it, is to preserve the Civil Service Merit System in the Federal Government, but the preservation of the merit system

Miles and Turner Attend Chevrolet Convention In Detroit, Michigan

Mr. James J. Miles and Mr. Lynwood C. Turner and their wives of Pink Hill, representing Jones Chevrolet Company, Inc. of Pink Hill were among approximately 7,000 Chevrolet dealers and dealership executives in Detroit recently to attend the largest convention of its kind ever held in the auto industry.

While in the Motor City, dealers previewed the spectacular new lines of 1964 Chevrolet cars and trucks to be introduced early this fall.

Arriving in Detroit at the rate of about 1,000 a day, the dealer guests were welcomed by the Chevrolet

officials including Semon E. Knudson, a General Motors vice president and general manager of the division, and Larry Averill, general sales manager.

Citing Chevrolet's all-time high rate of sales thus far this year, the two executives told the dealers that the division expects to surpass in 1963 its record performance in 1962 when Chevrolet set new industry sales marks.

As a highlight of the convention program, dealers were treated to an advance look at the new car and

Duplin Now Home Of Area "C" Civil Defense - "C" Includes 11 Counties

By Ralph M. Cottle

Yes, we all enjoy progress, but it does not come automatically. Our Duplin County Commissioners are to be thanked for their special efforts in making possible the establishment of Duplin County Civil Defense Agency in August, 1962. Because of our commissioners backing for County Civil Defense and because of special efforts made in Wallace by the Mayor, the town board, the leadership of Claude Hepler, and cooperation of other citizens in providing office space, the N. C. State Civil Defense Headquarters saw fit to make our county home for the Area "C" division.

The Duplin County Civil Defense Agency is very happy to announce that Area "C" Civil Defense Headquarters have moved to Duplin County. We welcome Col. Victor W. Harris, who is the Area Director, to Duplin and wish to assure him that the County Agency is looking forward to working closely with him. Col. Harris has been unable to find a house so far in which he can move his family; but when he does, the same cordial welcome is extended them upon their arrival. We all realize that moving from one location to another is always very trying and difficult; therefore, may I ask the public to assist this county office in making their efforts rewarding.

This new area office is an advancement for our county and also its Civil Defense program. With it

if your co-operation and active participation, it will afford you protection and a more optimistic outlook for the future. Remember this, "If you fail to prepare, you also prepare to fail."

Frances Stroud, daughter of Mr. and Mrs. J. B. Stroud of Magnolia RFD who graduated in May from James Kean High School as salutatorian of her class. Miss Stroud has been awarded a full scholarship to attend the University of North Carolina at Chapel Hill.

Muldrow would like to thank the Commissioners, town employees and the people of Beulaville for the cooperation shown him in the six years and seven months he has served as Mayor.

Muldrow says, "It is this cooperation and working together that has made Beulaville great."

Beulaville Mayor Resigns Post

G. S. Muldrow has resigned as Mayor of Beulaville, due to the fact that a Justice of the Peace cannot hold two elective jobs.

Muldrow would like to thank the Commissioners, town employees and the people of Beulaville for the cooperation shown him in the six years and seven months he has served as Mayor.

Muldrow says, "It is this cooperation and working together that has made Beulaville great."
