Peggy Sanderson Named Miss Wallace-Rose Hill

ive petite, but is also a very active student at Wallace-Rose Hill. During her four years of high school she has served on both the Barber Shop and the Annual Staff. She is a member of the Future Nurses of America, the F.H.A., the Library Club, the Photography Club, and has served as both a teacher's assistant and office assistant. Naturally we must not leave out the fact that Peggy is one of our few lady bus drivers.
Besides being an active student, Peggy is an active member of the Northeast Baptist Church where she has served as President of her Training Union Class.
In what little spare time she has, Peggy enjoys singing, playing the piano dancing, reading and during the summer she loves to ski.
Upon graduation from Wallace-Rose Hill, Peggy plans to attend Winston-Salem Business College. She hopes to become a secretary.
We all join hands in congratulating and wishing the best of luck to Miss Peggy Sanderson, our Miss Wallace-Rose Hill. We know that she is tops and will represent our high school very well.
Peggy is not only an attrac-

Attend Funeral

Those from this area attending the funeral of Corey Malpass in Wilmington on Friday of last week included Mr. and Mrs. Perry Dobson, Kenansville; Mr. and Mrs. L. K. Alderman and Mrs. W. G. Brummitt of Rose Hill. Mr. Malpass was married to the former Pearl Alderman.

FOR THE past three days the W-RH Library has been the source of repulsive paint odors, hammering, painters, and carpenters. Why all this disorder and noise in a supposedly quiet place? The reason is that the county is building shelves, which have been badly needed for the library. These shelves will be placed in the main part of the Library and will contain reference and other books which are constantly in demand. This year Mrs. Steve Mallard, Librarian at W-RH realizing the great need for a reference section in the W-RH library installed such. Previously, reference materials were located in different areas in the library. Now all reference and reserve materials have been centralized in a specific area. Students have commented on the fact that they are now able to find reference materials quickly and feel the reference section is an asset to the library.

Now **KELVINATOR** gives you a 5-Year FREE PARTS GUARANTEE

In addition to the standard 1-year warranty, Kelvinator guarantees drive mechanism parts another 4 full years!

Now Kelvinator has engineered a drive mechanism so free of service problems that you get a 5-year guarantee on all parts listed below. If any of these parts fails due to materials or workmanship, Kelvinator provides a replacement part free. Labor charges are free for a full year.

See the new Kelvinator - the automatic washer that is so thorough, pre-scrubbing by hand is completely unnecessary... yet it is so gentle, tests prove it can wash a paper napkin without tearing. Another example of what Kelvinator's policy of constant basic improvement can do for you. Instead of wasting money on costly annual model changes, Kelvinator constantly improves the quality and usefulness of its appliances.

Replacement parts are free for five full years on every one of these drive mechanism parts: agitator boot, drive and crankshaft, seal assembly, washer and pad assembly, boot seal, tube and seal assembly, pulley and bearing assembly, Filter Fountain assembly, right or left-hand spring, thrust washer, lower bearing, ball bearing and bottom housing assembly.
