**Commissioners  
Offer  
Cooperation**

The Duplin County Board of  
Commissioners at their meet-  
ing on Monday, adopted a reso-  
lution commending C.W. Sur-  
ratt, Jr., of Rose Hill, chair-  
man and the members of the  
Board of Directors of the Dup-  
lin County Industrial and Agri-  
cultural Council, Inc., for hir-  
ing Preston B. Ralford as the  
new Duplin County Industrial  
director.

The commissioners assured  
the council that they will co-  
operate with the council in every  
way possible to bring about a  
richer and fuller life for the  
citizens of Duplin.

The resolution follows:  
**BEFORE THE BOARD OF  
COMMISSIONERS**  
October 7, 1963

**NORTH CAROLINA  
DUPLIN COUNTY**

Resolved, By the Board of  
Commissioners of Duplin  
County that the sincere thanks  
and appreciation of this Board  
is hereby extended to Mr. C.W.  
Surratt, Jr., and to the Board  
of Directors of the Duplin County  
Industrial and Agricultural  
Council, Inc., for their many  
efforts in securing a Director  
for the County's Industrial De-  
velopment Program.

Be It Further Resolved, That  
this Board wishes great suc-  
cess to the continuing efforts  
of the Council as the county  
launches into a program for  
greater industrial and agricul-  
tural development.

The Board assures you that  
it will cooperate in every way  
possible in order to bring about  
more jobs and a richer fuller  
life for all of our citizens.

This the 7th day of October,  
1963.

**BOARD OF COMMISSIONERS  
OF DUPLIN COUNTY:**

Clerk.

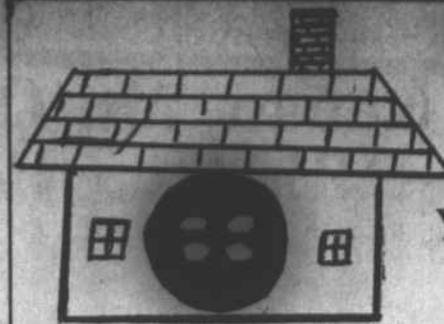

**Mrs. Blackmore  
Attends  
Press Release**

Mrs. Ruby M. Blackmore,  
teacher of Chemistry at the  
Wallace-Rose Hill High School,  
attended the second Eastern  
North Carolina Teacher's Con-  
ference held at East Carolina  
College on Saturday October  
5, 1963. The Conference is  
jointly sponsored by the East-  
ern North Carolina Section of  
the American Chemical Society  
and East Carolina College.  
Mrs. Blackmore appeared as a  
panelist on the afternoon pro-  
gram entitled "Curbstone Clin-  
ic" during which time the chem-  
istry tests administered in  
many schools in eastern North  
Carolina last spring were e-  
valuated. These tests were giv-  
ing in the Wallace-Rose Hill

High School to all students of  
chemistry and were valuable in  
evaluating the retentive abili-  
ties of the students as well as  
determining the degree of  
learning of the basic scienti-  
fic principles involved.

The Eastern North Carolina  
Section of the American Chemi-  
cal Society has been active since  
its inception in direct assis-  
tance to high schools in East-  
ern Carolina. This assis-  
tance has taken the form of  
classroom lectures, seminar  
programs, career counselling,  
science fairs, student sym-  
posia, and Science Teacher's  
Award. Among the membership  
of this organization are people  
who are not only trained in a  
wide variety of technical fields,  
but who have a deep interest  
and a desire to participate in  
the continuing progress of edu-  
cation in this area.

Mrs. Blackmore states that  
this was a valuable meeting  
in that it provided information  
to improve teaching in the  
classroom. Afternoon symposia  
were held in the areas of Chem-  
istry and Mathematics
