WARSAW

**PINEE LIVE STOCK PREPARATION**

ACTIVE INGREDIENTS:  
Pine Oil ..... 20%  
Essential Oil ..... 80%  
Total ..... 100%

DIRECTIONS: For external use only. As an aid to nature. Apply liberally to incisions resulting from castration and spaying, also other minor external surgical operations. PINEE Live Stock Preparation will keep flies away from the incisions, thereby aiding in prevention of SCREW WORM and common BLOWBOT infestation. It will not blister. Apply directly to harness galls, minor cuts, abrasions, mange and scratches. Rub it on the Live Stock to expel lice, fleas, and biting flies.

a remarkable shoe from **Buster Brown.** for children **3 and under**

designed to avoid a lifetime of foot troubles...

THE **Wikler** SHOE by Buster Brown.

Don't confuse The Wikler Shoe by Buster Brown with any other baby shoe. It is made over a last that conforms to the basic shape of the human foot—not one that cramps that foot into a pointed toe. This means that the foot of your child has more growing room, more space in which to exercise normally.

Forget about fashion—give a future to the foot of your child with The Wikler Shoe by Buster Brown.
