Jack Berkman, noted Wilmington Artist, is shown giving a lecture - demonstration in Margaret Cooper's Art Studio. At the moment shown in this picture Mr. Berkman is making a five minute painting in a "dry brush" technique, using black water color, newsprint paper and an old worn house paint brush. Just behind the speaker is one of his portraits in oil. On the high shelf are paintings now in process by Margaret Cooper's students. The Artist commented later that this was the most interested, receptive audience of this kind he has ever had.

Mr. Berkman spoke to the Wallace-Rose Hill High School P. T. A. also. He was received with so much interest and enthusiasm he has been invited to return to give a lecture demonstration to the Wallace-Rose Hill High School students.

CAN YOU EVER GET A BELOW COST BARGAIN?

Yes, it is possible, but you have to be real smart. You know the only reason anyone sells below their cost of doing business, is to get you in their store and sell you something else to make up their loss. You have to always be on guard.

Wouldn't you rather get all medicines from us, where you pay a fair price for everything and always get the attentive, dependable service you enjoy? Aren't you tired of discounted service?

YOUR DOCTOR CAN PHONE US when you need a medicine. Pick up your prescription if shopping nearby, or we will deliver promptly without extra charge. A great many people entrust us with their prescriptions. May we compound yours?
