## Warsaw To Have Marine Coffee Bar For Washington's Birthday

Coffee bars for military and civilians alike will again be operating during the forthcoming Washington Birthday weekend.

The bars, sponsored by the 2d Marine Division Traffic Section, will be located at three strategic locations within a 50-mile radius of Camp Lejeune.

Hours of operation for the coffee bars will be from 8 p. m. Feb. 23 to 6 a. m. Feb. 24.

One of the coffee bars will be set up at the intersection of Highways 70 and 11 in Kinston, N. C. Another will be established at Warsaw, two miles east on Highway 24, and the third will be set up at Wilmington, N. C., seven miles north on highway 17.

A unit from Headquarters Battalion will operate the Kinston coffee bar. The 2d Reconnaissance Battalion will be responsible for the one at Wilmington, and the 3d Anti-Tank Battalion, the one at Warsaw.

Hot coffee, doughnuts and cookies will be a feature at all three coffee bars.

Last year, the coffee bars dispensed thousands of cups of coffee to road weary travelers. Statistics disclose that since 1958, when the coffee bars were first started, there have been no fatal or serious-injury accidents within a 50-mile radius of the bars during their period of operation.

According to statistics, most accidents occur during the last

## New Highway Map

1964 official North Carolina highway maps in color and black and white are off the press and available for distribution by the Highway Commission. First copies of the new maps were received on Friday, February 7, 1964, and the past two years have produced record completion dates by

the Highway Commission in getting the maps to the motoring public.

The 1964 color map features a scenic view of a portion of US 52 in Surry and Stokes Counties with Pilot Mountain in the background, and the black and white map features a front entrance view of the State Legislative Building in Raleigh. Tourist information appears on both maps, and includes data on rest areas, motor vehicle laws and signals, and weight restrictions. The color map includes several photographs of the State Legislative Building, North Carolina scenic areas, and a number of points of interest across the State.

## an entirely different styling in Armstrong VINYL CORLON TESSERA

A beautiful floor styling made up of small square-faced cubes of vinyl plastic

Looking for something that's different in floor styling? You'll find it in the new Tessera Series in Armstrong Vinyl Corlon. The small square-faced cubes of vinyl that make up the design are so uniform in pattern that they look as if they were cut and set by hand. But more important, these cubes go all the way through to the backing and are so thick that the finished flooring equals heavy gauge linoleum in wearing qualities. Exclusive Armstrong Hydrocord Backing assures long service on basement floors as well as suspended floors. Available in seven decorator-selected colors.
