Powell-Byrd Speak Vows Raleigh

The marriage of Miss Wanda Kay Byrd and N. C. State student, Douglas Spurgeon Powell, was solemnized February 16 in Emmanuel Baptist church in Raleigh. The Rev. L. D. Holt officiated.

Parents of the couple are Mr. and Mrs. James Henry Byrd of Albertson, and Mr. and Mrs. John S. Powell of 2046 Wake Forest Road in Raleigh.

The bride's father gave her in marriage. She wore a satin and lace dress and a matching pillbox with a shoulder length veil, and carried an orchid on Bible.

Mrs. Donnell Kornegay of Mt. Olive was her sister's matron of honor. She wore a green taffeta dress with a scooped neck and bell-shaped skirt. She wore a matching pillbox with circular veil similar to that of the bride. She carried a long stemmed tallisman rose with ribbon streamers.

Miss Alice Faye Jackson was her roommates bridesmaid. She wore a pale yellow taffeta dress with scooped neck and

bell-shaped skirt. She wore a matching crown with circular veil and carried a long-stemmed tallisman rose with ribbon streamers.

John S. Powell was his son's best man. Ushers were Earl O. Sears of Rocky Mount, Donnell Kornegay of Mount Olive, and Charles Morris and Louis Capps both Raleigh.

Mrs. Ernest Harrison played the organ as Mr. Willis Abernathy sang "O Promise Me," "O Perfect Love," and "The Wedding Prayer."

The bride's mother chose for her daughters wedding an ensemble of pink wool trimmed with satin. The mother of the groom choose beige taffeta.

After a wedding trip to Williamsburg, Virginia, the couple will make their home at 2909 Bernard Street in Raleigh. The groom will continue his work with the Student Supply at N. C. State, and his night school studies, and the bride will begin work with the Phillips Petroleum Company, Raleigh.

proving. Mesdames Adolph Howard, Jepsy Pickett and Margarete

Fable No. 4: "Co-ops are driving private power monopolies into oblivion"

"Forbear!" cried the power company. "the electric co-ops are ruining the country and driving us into oblivion!"

A sad cry indeed. The nation's private power monopolies are now struggling along on just 80 percent of all electric revenue. Private power monopolies control only 74 percent of the entire generating capacity of the country. They serve just 80 percent of all the electric consumers. And last year sadly they had to report the greatest profit in their entire history.

If co-ops are driving private power monopolies into oblivion, they won't get there broke.

But, what is this massive threat to electric co-ops... the threat which private power monopolies view with alarm?

In North Carolina, rural electric co-ops receive less than 10 percent of all electric revenue... have no generating capacity except on the Outer Banks and serve only about 20 percent of the electric consumers.

But this 20 percent thinks it's important that they have high-quality, low-cost electric service, and personal experience shows them they got it only when they organized their own rural electric co-ops.
