GARDEN CLUB MEETS
Mrs. Charle Teachey, Jr. and Mrs. C. T. Fussell Jr. were hostesses to the Rose Hill Garden Club, Tuesday afternoon, March 24, in the home of Mrs. Teachey. During the social hour the members were served a cherry salad course with coffee.
Mrs. Teachey's home was very beautifully decorated with arrangements of winter foliage, Camellias and Dutch Iris.
Mrs. S. O. Johnson, the president, presided over the meeting. Officers for the coming year were named as follows: Mrs. H. W. Farrior President, Mrs. B. B. Longest, Vice-President, and Mrs. W. H. Hall Secretary.
Mrs. Cecil R. Wells presented a very interesting and informative program on "Flower Arranging", emphasizing, that Flower arrangers are being allowed more freedom than ever before. There are almost "No Rules" that must be obeyed. But there are some principals of good design you will want to be aware of as aids to your own sense of taste and to your self confidence. Some happy few are born with the sure feel for design, they can put flowers together artistically without ever following any principal of design. But most of us grow in skill as we understand the fundamentals of design and apply them to our flower arrangements. Mrs. Wells, also demonstrated some of the major elements that add up to good design. No. 1, Proportion, II Balance, II Contrast in Color IV Harmony.
A film was shown "A collection of Flower Arrangements". Mrs. Chester Rouse assisted in the program, presenting ideas for "Ground Covering". So, the winter is past - - - The flowers appear on the earth.
The time of the singing of the birds is come.
Song of Solomon - 2:11-12.
