## Filing Deadline Tomorrow

Just one more day of deci-sion for potential political can-didates. The deadline for filing with the board of elections for the May 30 primary in Duplin

is noon on Friday, April 17.

J. M. Smith, Chinquapin, chairman of the board, says that he will be at M. L. Lanier's store until that time on Friday and cautions that noon is the deadline and not one minute after twelve on that

So, not many hours remain for those who are thinking of seeking nomination to one of the several offices to make their ultimate decision. A complete list of those filing will be carried in this newspaper

Challenge Day will be hled Saturday, May 23. If you have moved since the last election, you should check with the registrar to make certain you are registered in the precinct in which you will vote.

Registration books are usually open at the polling places on the three Saturdays preceding Challenge Day. Pre cinct meetings for all Duplin Democrats will be held at 2:30 p. m. on Saturday, April 25, and the County Convention will be held at the courthouse on Saturday, May 9 at 11 a. m.

Candidates filing since our last report, including one neCOUNTY COURT: David N. Fountain, Route 2, Beulaville

The weather was perfect, the crowds exceeded expectations, all programs were car-ried out without a hitch, and a good time was had by all at Wallace's 75th Birthday Party,

4-H DRESS REVUE The public is invited to atorium of the Agricultural ilding in Kenansville Friday,,April 17 at 8 p. m. Partiday, April 17 at 8 p. m. Participants in the program are requested to be present by 6:30 p. m. Not only will a good fashion show be presented but observers will be able to see just what the 4-H Club girls are able to do.

## Albertson Ruritans Take Community Inventory

The Albertson Ruritan Club is now engaged in a detailed economic survey of Albertson Township within a five - mile radius of the post office, and reports on the survey will be tabulated April 16, (today) when the club meets at the ity Building.

The local community organins, church and home clubs are cooperating in the

effort.

The survey questionnaire asks what new enterprises and services each would support, including a doctor, a dentist, drug store, shopping center, drycleaning service, food processing center, etc.

The questionnaire also deals with employment skills. "il-

Was reading in the National Observer and ran across this interesting little item about "Syllabub" Since Syllabub is such a popular dessert in this area around Christmas time I

area around Christmas time I am passing it on to you.

Syllabub is a frequently mentioned colonial dessert-wine mixed with cream, a recipe brought over from England. Earliest recipes called for holding the bowl of wine under the cow so that the milk could be forced in a hard stream into be forced in a hard stream into be forced in a hard stream into the bowl to produce fortth. A modern cook has suggested that the same effect could be produced by pouring warm milk from a teapot held up at a great height."

Steers graded choice were entered by: Larry Grady, Keith Beaver, Gerald Korngay (2), Bobby Goodson (2), Roy Lee Beaver, Janet Beaver, Mack Jones (2), and Robert I take off my hat to Nannie Grey Brown in Kenansville. She seems to be able to get more things done than anyone I know. I am even almost envious of her. Besides managing her late husbands oil business, she is now building a post office building for Kenansville, supervising the building of the Presbyterian Manse, active in church work and has a teen-agert and an almost teen-ager and an almost en-ager son, and I know how teen-ager son, and I know how much going that takes. But the nice thing about Nannie Grey is that most everytime you see her she is laughing, and always seems to be in a good humor. And on top of that she is as pretty as a picture - it's amaxing. I have also heard that she has taken up square dancing as a hobby. More power to you!

that isn't scrambling just to keep up. We are moving ahead economically and in other ways. This is shown by the fact that Duplin is the No. 1 agricultural county in the State, that we have 50 industries in the county employing over 2,200 people with payrolls in excess of seven million dol-lars, and by the hundreds of new homes which dot the countryside. It is demonstrated also in attitude or frame of mind

# **Duplin Polio Clinics** Sunday Afternoon

Polio clinics will be held at nine locations in Duplin County Sunday, April 19, from 12 o'clock noon to 5 p. m.

Doctors Deane Hundley, J. S. Blair, Jr. and W. W. Sutton will be at the Town Hall in Wallace; Doctors C. F. Hawes and G. P. Matthews at the Rose Hill Elementary School Gym; Dr. J. W. Straughan at the National Guard Armory in Warsaw; Dr. Edwin P. Ewers at the Town Hall in Faison: Dr. Oscar L. Redwine at the B. F. Grady School Gymnasium; Doctors F. L. Norris and S. A. Pope at the Beulaville Elem. Lunch Room; Dr. Edward L. Boyette at the Chinquapin Elementary School Gymnasium and Dr. Guy V. Gooding at the Courthouse in Kenansville.

One or more physicians will be at each clinic. Civic organ-

## Officials Told Civil Defense Good Investment

Alex McMahon told public officials from 11 Southeastern counties that civil defense 'has come to be recognized as one of the clear responsibilities of local governmental un-

McMahon, general counsel for the North Carolina Association of County Commissoners, said in his speech at Wrightsville Beach that an effective civil defense organization is "good insurance which we cannot afford to do without."

Sixteen Duplin County officials and citizens attended the meeting, among them were the county auditor, sheriff, register of deeds, three commissioners and other county officials along with two doctors and some town officers.

McMahon said that three major problems face civil defense units: (1) Lack of general public acceptance of civil defense programs, (2) nuclear warfare is outside of our experience, and (3) the necessity for change in approaches as knowledge of nuclear warfare expands.

McMahon recently visited the

Soviet Union. There is no rea-son to think that there will be any change in the Russian attitude for many years to come' he added.

"The sooner we get on with the task of getting ready," he continued, "the better off we will be." He said local government has the responsibility so "let us get on with the job."

izations and professional nurses are requested to help in arranging and operating the Strain I of the Sabin vaccine

will be given Sunday afternoon, April 19, Strain II on May 17 and Strain !II in September or October.

Sabin vaccine is given orally (no needle, no shots) by dropping a few drops on a sugar cube and feeding. The vaccine is a clear, tasteless liquid and can be dropped directly on the tongue if desired. The drops are placed on a sugar cube for most people for convenience in administering. It is hoped that the vaccine

may be administered to every man, woman and child in Duplin, and the doctors urge you to come and bring the whole family, and ask your neighbors to come.

The responsibility of being protected against polio rests squarely on the shoulders of each family head. Plans must be made to be at the clinics on the three dates in order to be

Three doses of the vaccine are necessary for immunization, as each dose is a different type. Make arrangements now to be at the clinic Sunday afternoon for this mass munization program, and tell your neighbors that all will know about the clinics.

### Statement By The Doctors To The Editor:

Through Continual efforts of our doctors and the cooperation of Charles Pfizer & Company and its representative, Mr. George Harriss, we will be able to hold mass polio clinics. The company did not have the vaccine on hand but it was able to locate enough in the hands of a number of whole hold the clinics. We will hold two clinics at the same time as in the adjoining counties and an additional clinic in Septem-

## Duplin Men Take Top Price At Cattle Sale

ber or October. Of the three

The Clinton Regional Stocker Cattle sale last week sold 1300 head of cattle although this is just the second year of sales

The range was from \$19 to \$26 per cwt, and one man, She-rill Williams, bought more than \$20,000 worth of the animals. J. E. Johnson of Rose Hill purchased ten heifers for breeding, weighing around 532 pounds and selling for \$25.50 Glanton Holland, Joe Wells and others from Duplin purchased several of the animals.

But the majority of the cat-tle sold for finished beef purposes. Some had purchased stock at the feeder sale last fall and fed over winter to gain about 11/4 pounds a day and then sold off at the sale. This enables the producer to look after the stock in winter when not too busy and then sell off as spring planting begins. Good grade steers, 300 to 550 pounds, sold for about \$25; 550 pounds to 675 sold at \$21.50,

and \$22 and 675 pounds and up \$21.50 to \$22.50. Matthews and Byrd of Rose Hill topped the sale with a fullblooded Shorthorn heifer selling for 28 cent, although heifers were selling for some 3cent

below steer prices as a general thing, but they got the highest price paid at the sale for any More and more feeder lots

strains of the poliomyelitis virus, vaccine for strains I and II will be available now and strain III will be available in the autumn. We plan to give Strain I on April 19, Strain, II on May 17, Strain III in September or October at a date to be announced later. Our Strain I will therefore be given on April 19 when Strain III is being given in adjoining counties. We will give Strain II on May 17 when Strain II is also being given by our neigh-Having to buy the vaccine from wholesalers and jobbers

instead of from the manufacturer will raise the cost to us to nearly fourteen thousand dollars for the vaccine alone. In order to offset this very heavy burden we have decided to make a charge of twenty five cents per dose for the vaccine; However, let me empha size that NO ONE WILL BE DENIED VACCINE BECAUSE OF NOT HAVING THE MON

The J.C's and other civic groups as well as professional nurses are now requested to help in arranging and operating the clinics. We plan to operate clinics in Wallace, Rose Hill Magnatia, Warsaw, Fal son, Kenansville, Chinquapin Beulaville, and B. F. Grady School. Mr. Charles Sloan of Wallace has assumed charge of the non professional groups that are so sorely needed to help plan and man to clinics.

WHY BOTHER ANYWAY? First It is easy, quick, painless, and cheap. It is not a shot. It is only two drops of medicine on a sugar cube eaten by mouth.

Second. Lifetime protection We have reasons to believe now that the protection will be per-Third. The carrier state.

Many people, especially the elderly are carriers of the polio virus without actually having the disease. This is very comparable to the typhoid carrier. This vaccine eliminates these pockets of infection and removes the virus from these carriers. The incalculable advantage to the young and unexposed in eliminating the carrier state is most ob-

Fourth. If you have already had the salk vaccine polio "shots" you too need the "oral" vaccine. The "shot" gives temperary immunity while the "sugar cube" giv s lasting immunity.

PLEASE DON'T LET YOUR-SELF DOWN. BRING THE WHOLE FAMILY. URGE YOUR NEIGHBORS TO COME We plan to operate the clin-

ics from 12 o'clock noon to 5:00 p. m. on the Sunday afternoons listed above.
NURSES NEEDED

Nurses are needed to help administer oral polio vaccine at community clinics on Sunday afternoon the 19th of April from 11:45 to 5 p. m. If you can help please notify Mrs. Wilma Pate, 296-2711 or 296-27-21, for assignment as needed. The distribution of registered nurses in the county is not uniform, and assignment is neces-sary to insure adequate cover-

During the hours of the police immunization clinics, noon to 5 p. m., Sunday, April 19, 19-64, persons needing emergency medical care are requested to go to the hospital where the surgeon on call will be seeing medical as well as surgical pa-tients. All of the other doctors will be busy at the polio clinics. Persons with non emergency medical problems are urged to wait until their family doctor is again availa Corbett L. Quinn, M. D. Information Committee

are being built in this section and more and more cattle are being finished locally, the meat being equal to Western finish-ed beef, this is attested by the large number of cattle being sold in recent weeks.
