Traffic Deaths Hit New High

RALEIGH - State traffic deaths for the first quarter of the year established a new high in blood letting, the Motor Vehicles Department said this week.

During the first three months, the agency listed 346 traffic victims, the highest three-month death tally ever recorded North Carolina.

Road deaths currently are running about 33 per cent over the same period of 1963.

The agency's past record showed the worst previous year to be 1959 when 279 died; 115 were killed in January of

Greensboro College Glee Club To Present Concert

The Greensboro College Glee Club will present a concert at the Rose Hill Methodist Church on Saturday, April 18, at 8 p. m.

Well known throughout the South is the Greensboro College Glee Club, directed by Mr. E. L. Williams. Mr. Williams received an A. B. degree from Central College and a M. M. degree in voice from Oklahoma University. Further graduate study toward the Ph. D. degree has been done at New York University. He has studied with many renowned teachers, some of which are Giuseppe Bentonelli, Harold Luckstone, Bernard Taylor, and Frank LaForge. He is associated with Phi Mu Alpha,

National Music Fraternity, and the National Association for Teachers of Singing. Before coming to Greensboro College in September, 1943, Mr. Williams was connected with George Peabody College, Nashville, Tennessee.

At the completion of the 1964 Spring Tour, the Greensboro College Glee Club, during a period of sixteen years, will have given its 330th full concert, in the cities of North Carolina, South Carolina, Georgia, Florida, Virginia, Washington, D. C., Pennsylvania, New Jersey, New York and Maine.

The Glee Club has given joint concerts in the past with the Men's Glee Club of the University of North Carolina at Chapel Hill. They did such works as Faure's Requiem; Charles F. Bryan's, the Bell Witch, a Southern Folk Contata; The Lincoln Lyrics by George McKay. In the spring of 1963, the Glee Club presented the opera, The Devil and Daniel Webster adapted from a work of Stephen Vincent Benet.

On May 9, 1957, the Greensboro College Glee Club made its debut in Town Hall in New York City. For several years the Glee Club has given concerts in and around New York City.

For the concert this year, the Glee Club will present: *Laudi alla vergina* Maria-G. Verdi
Song of Destiny Johannes Brahms
Pueri Hebraeorum - Randall Thompson
The Harmony of Morning Elliott Carter

I Ain't Gonna Grieve My Lord
No More - Negro Spiritual

Three Mounain Ballads - Ron

that year, 72 in February and 92 in March.

For the current year through the end of March the official total was 106 in January, 128 in February and 112 in March.

Last year's total traffic death count was 1381; in 1959 it was 1193.

Officials were unable to explain the marked increase in fatalities. Ordinarily, the last quarter of the year produces the heaviest harvest of tragedies, with several major holiday periods and inclement weather listed as principle causes.

"It's no real surprise for deaths to top a hundred a month during November and December," a department spokesman said. "But it's highly unusual to have it happen so early in the year."

Department records 15 years back show only two first-quarter months in which traffic deaths exceeded 100. March of 1962 had 120 fatalities and January of 1959 listed 115 dead.

Pastor Stricken: Deacon Carries On Service
By: Mrs. W. N. McKoy
Sunday morning at 11:00 o'clock the choir marched in as usual but the pastor was absent. Fearing the worse some one was dispatched to call his home and found out that he had started and became very ill. Later he was ported to be a great deal improved. Deacon Graham Carr carried on the service beautifully. W. F. Johnson of the Rose Hill Elem. School made some timely remarks and asked for a moment of silent prayer for the pastor, Rev. Grimes.

An open mind is all very well in its way, but it ought not to be so open that there is no keeping anything in our out of it.
