

Meet Your Candidate

William H. "Bill" Fussell

Candidate For Fifth District Commissioner

and for the past eight years, have also been in the general insurance business."

A member of the American Legion, Duplin County Industrial and Agricultural Council, Inc., Mr. Fussell is presently serving his third term as a member of the Rose Hill Town Board of Commissioners.

A Methodist, he has served on the Official Board of the Rose Hill Methodist Church.

In making his statement announcing his candidacy, Mr. Fussell, who is a life-long Democrat, pointed out:

"No one asked me to run . . . no group drafted me to run. I did not discuss the possibility of seeking this office with anyone. Thus, I am a free agent running on my own and am obligated to no one person or group."

"If elected a member of the Duplin County Board of Commissioners, I will endeavor to serve ALL of the people of my district to the best of my ability and shall work for an even more progressive Duplin County."

"Your vote and support in the May 30 Democratic primary will be greatly appreciated," Mr. Fussell asserted.

"The record in the Duplin County Auditor's office which dates from 1869 (ninety-five years) shows that no resident of Rose Hill has ever served on the county governing board or the County Board of Commissioners as it is known today. The residents of 'Rose Hill' Township think they are entitled to one representative on this board during a century. Therefore, I announce my candidacy for the Fifth District (composed of Rose Hill, Magnolia and Kenansville Townships), subject to the vote of the people in the Democratic Primary on May 30, 1964."

The above statement was made by William H. "Bill" Fussell of Rose Hill today in officially announcing his candidacy for the commissioner post.

Mr. Fussell continued:

"I am fifty-six years old . . . am married to the former Louise Whitfield of Clinton . . . and have one daughter, Marsha, who is a junior at Greensboro College, Greensboro."

"I graduated from Rose Hill High School and attended the University of North Carolina at Chapel Hill. For three years I taught school and for 14 years I was employed with the U. S. and N. C. Department of Agriculture, I have been in the fertilizer business for 27 years"

65 And Older Insurance

The special health insurance plan for 65 and older residents of North Carolina and Virginia received the endorsement today of the North Carolina Association of Insurance Agents.

Charles C. Harris, Jr. of Rocky Mount, President of the professional agent's association, said member agents stand ready to aid in every way possible in this important effort.

"We feel this is a great step forward on the part of the insurance companies of the two neighboring states," Harris said. "Our Big I agents want to help in every possible way. We urge all of our older citizens to take advantage of this program and our agents stand ready to help them understand and obtain the coverage."

"If there are any questions in the minds of those seeking to be insured under this health program, we offer the services of our independent agents. Just contact an agent and he will be glad to help," Harris said.
