

Rebs Gerald King Hurls 3-2 Win Over East Duplin

Mt. Olive Defeats James Kenan On Error, 1-0

East Central Baseball Season Ends With Wallace-RH Champs

Coach Richard Kaleel's North Duplin Rebels finally won their first East Central baseball game this week defeating East Duplin 3-2, behind the five-hit pitching of ace Gerald King. King, the all round star at the Rebel school has an unusual won and lost record. His first win was North Duplin's only win of the season. The only loss Gerald has suffered was a no-hitter.

In the eight years at North Duplin never has a baseball team lost over two games in any one season. But the fine pitching at the ND school has

been a little short to not say anything about the regulars such as Tommy Taylor, Joe Dixon, Bobby Holland, and Tinker Tilton being out for the season with injuries. Of course Coach Kaleel stated, "we will have everybody back next season except two men." So look out for the Rebels to bounce back next season.

In the East Duplin game Gerald aided his own cause with a two-run double in the fourth to tie the score. Another King that will possibly get in the East Central record books before graduation, Charles Lee followed Geral with a single. John Charles Rouse moved Charles Lee into scoring position. King scored on a fly ball by Jimmy Pate which turned

out to be the winning run. The Panthers took an early lead in the first on a double by Harry Miller and a single by Earl Sholar. Billy Hall walked, Joe Byrd got on by an error, and Dempsey Alphin walked with the bases loaded to give East Duplin a 2-0 lead in the first.

The Rebels will end the season Wednesday night at Midway. Coach Pat Draughan's James Kenan Tigers lost a 1-0, East Central game to Mt. Olive on an error. That was the last game of the season for the Tigers. Draughan's Tigers ended the season with a 5-5 conference mark and an overall 7-10 record.

Senior Dan McNeil, rightfielder for the Tigers and top hitter lately got the only two hits off Bruce Herring of Mt. Olive. Dan hit a double in the fifth and a single in the seventh. Ace righthander Scotty Lockamy hurled six-hit ball for James Kenan but the weak hitting was once again the biggest factor. Lockamy (3-7) for the season has struckout 85 batters and allowed only 21 bases on balls this season. Third baseman-pitcher Larry Cooke had (14-37) or .378 to lead James Kenan hitters. Ca-

cher Billy Byrd ended the second with a .318 average. Junior Paul Britt (3-3) for the season struckout 55 and walked 25 in six games. Cooke was (6-1) for the season. Other top hitters were Lynn Hilton .291 and Lockamy .261.

Coach Draughan pointed out that several of the new boys such as Mickey Davis, Linwood Taylor, M. H. Barr, Harry Lee Thigpen, should be outstanding next season. Others Draughan mentioned were Jimmy Medlin, Bill Taylor, L. E. Stroud, William Outlaw as well as others.
