How to be a hit

with the misses

The answer, obviously enough, is to become a 1964 Dart owner. For this young-at-heart beauty is winsome—and then some.
Take 1964 Dart styling, for instance. Handsome, dashing, suave, and far from stuffed shirt. Here's a car anyone could love for looks alone. Inside, leather-grained vinyls are every bit as soft and supple as

they appear. And how many other compacts can you name that offer a choice of standard or bucket seats, carpeting, and engines ranging from an Economy Run winning Six, to a sizzling, new 273 cu. in. V8.
So, if you want to be a hit with the misses, see your Dodge Dealer. But hurry, there are bound to be many other felices with the same idea.
