ELECTRIC HEAT

1.9
1.5
1.25
NOW 1.2¢
per KILOWATT HOUR

Another good reason to switch to flameless electric heat

CP&L's third price cut in 4 years makes flameless electric heat an even bigger bargain.

You can enjoy this bargain and other benefits of total-electric living if your home is heated exclusively by electricity. So plan now to switch to the nicest housewarming ever for your present home or the one you plan to build or buy.

Like the idea of individual temperature control for each room? You can get it with electric heat... and that's just one of its exclusive features. For the full story on the unique advantages of heating your home by wire, just call CP&L. Case histories of actual operating costs for total-electric homes are available for your inspection.

Get your money's worth with... it's flameless!

PINEE LIVE STOCK PREPARATION

ACTIVE INGREDIENTS:
Pine Oil 305
Mineral Oil 695
Total 1000

DIRECTIONS: For external use only. As an aid to nature, apply freely to incisions resulting from castration and spaying, also other minor external surgical operations. PINEE Live Stock Preparation will keep flies away from the incision, thereby aiding in prevention of SCREW WORM and common MAGGOT infestation. It will not blister, apply directly to burnous gall, minor cuts, abrasions, mange and scratches. Rub it on the Live Stock to repel lice, fleas and biting flies.
