

# James Kenan Opens Football Season Against Clinton At Tiger Field

Head Coach Pat Draughan, Discusses plans with assistants coaches Bill Hilton (center) and Worth Potter as to James Kenan opening game.

Coach Pat Draughan's James Kenan High Tigers open the 1964 football season against Clinton this Friday night at Tiger Field. It will be the fourth straight year the two schools opened their season against each other. The Tigers have the best end of the bargain with a 2-1 record.

Of course Coach Draughan stated, "with most of our boys having little or no experience it could be an even series. We have a fine group and I know they are working hard and could give the Dark Horses a rugged time." Draughan declared.

Coach Pete Carr says of his Dark Horses "Our backfield should be the finest we have ever had here, but our line will be the smallest and the most inexperienced since I've been in Clinton."

Boys who are to lead the Dark Horses against James Kenan this Friday are: Bob Blanton, a 176 pound senior, a fine passer, runner and field general; Ed Newman, full back, 208 pound senior, strong, fine blocker, and good on defense; Tommy Dempsey, half-back, 178 pound senior, good open field runner and kicker; Floyd Jones, guard 165 pound senior, little but tough blocker and tackler; Larry Carter, tackle, 219 pound, six four sen-

ior, big strong, yet to reach potential; Butch Robinson, guard or tackle, 180 pound senior, strong, quick, could be key to success.

Coach Draughan has several key linemen that hold the hopes of the Tiger in A. D. Benson, senior, 265 pound, blockbuster, and co-captain, Arthur Minshow, junior, 170 - pound strong, tough on defense and offense; Mike Davis, junior, 205 pound, very strong, quick; and Lynn Hilton, senior, 230, defensive specialist, and co-captain.

"We have got a lot of strong young boys backs and linemen that must fit into our program if we are to have a good ball club," Draughan said. "The lineup that could start against Clinton could change at a moments notice because we have boys that are working for a position", the Tiger skipper stated.

**NORTH DUPLIN EDGES PC**  
Coach Richard Kaleel's North Duplin Rebels open their 1964 football season with a 7-6, East Central 2-A Conference clash.

The Rebel's fullback Donald Brodgen scored from the six and Norman Gower added the important point to give North Duplin a 7-0 lead. Halfback Charles Lee King moved the ball deep down in Pamlico territory after North Duplin took over on downs at mid-field.

Later in the contest Pamlico Central recovered a North Duplin fumble and attempted three straight passes that fell incomplete. On fourth and ten quarterback Jerry Bobbs completed a pass to Ed Jones for the touchdown. The extra point try failed and Kaleel's Rebels sneaked out with a hard earned one-point victory.

North Duplin gained over 130 yards on the ground but several long runs were called back. As Coach Kaleel said, "Just about the time we had something going penalties came." The Rebels completed 3 of 7 passes good for 60 yards and picked up six first downs.

"Our line looked pretty good with Fridgen (Charles and

Dixon (Joe) as definite stand-outs", Kaleel stated. "King, Brodgen, J. Davis, ran real well for us, but Gower got the big point" Kaleel declared.

**MOUNT OLIVE VS INEXPERIENCE**  
Host Farmville spotted Jimmy Williams' debut at Mount Olive head coach with a 25-6, non-conference victory in the two schools opens last Friday night.

Defensive inexperience (five sophomore starters) hurt the Panthers badly - especially in the first half when Farmville took advantage of two infractions and a bad mistake for a 19-0 halftime lead.

Farmville so dominated play in the first half that Mount Olive only moved the ball on two series of downs. Farmville was especially effective on sweeps.

Mt. Olive finally scored in the third period on a 30-yard pass with quarterback Zutch Herring dashing over from 12 yards out. The Panthers moved once more down inside Farmville's five before the drive fizzled out.

Herring and tackle Phil Wilson were the Panther stand-outs. Mt. Olive may have lost tackle Larry Blanton for some time with knee trouble.

**EAST DUPLIN MISTAKES MAKES DIFFERENCE**  
Coach Billy Bostie's debut was marred by three big mistakes as the Wallace-RH Bulldogs scored three times winning, 19-0. It was the second straight opening win for Coach Theil Overman over East Duplin.

A block punt, bad snap from center, and an interception tells the story. That was the word from Coach Bostie as the Panthers start to work getting ready for "the North" . . . North Duplin.

"I would like to say that I'm very pleased with tackle Sambo Blizzard's play both on offense and defense," Bostie declared. "I think Synder (Jim-

my) did a good job as quarterback for us." He said.

Fullback Bryson Horrell was definitely the most outstanding back on the field. Horrell, a senior, 170 pound, fullback scored on a six yard run and then intercepted a Panther pass late in the game and crashed 34 yards for another.

Tackle Curtis Phillips combined with Ray Rivenbark to put the Bulldogs on the scoreboard in the second quarter. Phillips blocked an East Duplin punt deep in Bulldog territory and Rivenbark pounded on it for six points. Vann Blake split the upright and Wallace was off.

The Bulldogs gained 163 yards rushing and East Duplin had 70. East Duplin completed 6 of 11 passes good for 67 yards and Wallace-RH had 3 for 9 for 38 yards. Wallace-RH picked up eight first downs and East Duplin gained four. East Duplin punted four times good for 24.3 average and Wallace-RH had five for 33.8 average.

**Wallace Man Fatally Injured**  
A 22-year-old Wallace man was fatally injured in an automobile accident early Sunday on N. C. 411 near Clear Run Bridge.

Sampson County Coroner Coleman Carter said Jefferson Underwood was dead on arrival at Sampson Memorial Hospital.

Underwood was one of three men in the car at the time of the accident. The other two, Carter said, are being held in the county jail on charges of public drunkenness while authorities attempt to learn who was driving the crash vehicle. Bond has been set at \$500 each for David Butler, 26, and Harry Lee Kenan, 22, both of Wallace. They were not injured.

Carter said an inquest into the death has been set for 8 p. m. Wednesday here.

## Harmon Weekly Football Forecasts Begin Today

The Harmon Football Forecasts, the newest and one of the most popular forecasting services in the nation, will appear in Duplin Times-Progress Sentinel each week during the 1964 football season. The Harmon Forecasts, starting its 8th year of crystal-gazing this fall, was published in newspapers just two states in 1957. This year, they will appear coast to coast in newspapers in 45 states.

Harmon's forecasting average has consistently been one of the highest among prognosticators in the country. Last year, he picked 1,221 winners and had 403 losers (there were 58 ties) for average of .752. During the past years, his overall average has been .760.

In addition to forecasting the results of some 160 games each week - as well as the New Year's Day bowl games - The Harmon Forecasts will list the top teams in the nation each week starting in two weeks - the forecasts for October 3rd.

The Harmon Forecasts is based on statistical football. It is not a gut feeling, hunch, or guess. The results

**GASOLINE STILL**  
Deputies Ervin Outlaw and E. E. Chestnut and Constable E. E. Proctor destroyed a still about four miles north of Kenansville Saturday. Seven barrels of mash were destroyed along with the steel drum still. The still was heated with gasoline and a small hand air pump was used to vaporize the fluid for burning.
