Dick Dunkel's College Football Power Index - Games Of Week Ending Nov. 17.

RULES

- Fourteen football games this week-end are placed, one in each ad, on this page. Indicate the winner of each (not the score) by writing in the name of the team opposite the advertiser's name in the entry blank. The entrant with the most winners each week will be awarded \$10.00. Second place, \$5.00. All tie games will be counted as wrong unless listed as a tie.
- Pick a number which you think will be the highest number of points scored by any ONE TEAM in the 14 games listed and place the number in space provided on entry blank. This will be used to break ties.
- Grand Prize-this contest will run for twelve consecutive weeks. The entrant who has won first place the most number of times will be awarded the grand prize. In the event of a tie, the winning entrant picking the most number of team winners in the week or weeks was awarded first place, will be declared the grand prize winner. In event of a further tie, the person picking the closest number to the highest number of points scored by any one team during the weeks that he or she won will be the winner.
