Mrs. W. J. Weatherly, payroll and insurance clerk with Rose

nected with Warsaw Drug Company. Mrs. Weatherly was born

in Baltimore, Md. but called Southern Pines her home. She at-

the Women of the Church organization. She is also a member of the Warsaw Business and Professional Women's Club. The Weatherly's have two married children: Mrs. Katherine Davis of

One hundred years ago placed the church in the hard years of Civil War days, meeting places were few and far between. These few people were determined and for about four years they met and worshiped in Christian fellowship in a 'Brush Shelter" close to a thicket across the dirt road beside the present church which is now known as Bland Property. This was the beginning of

what is now Dobson's Chapel Missionary Baptist Church.

Church letters show this church was organized in 1864. In 1867, George S. Best, a native of Warsaw, came to serve the church as it's first pastor The name of the church was adopted in the second meeting of the church body at which time delegates were elected to the Eastern Association and plans were made to ask for admission to the Association Some of the church families in 1867 were Bosticks, Teacheys, Stricklands. Dobsons. Williams. Roachelles and Tuckers. In the year 1964, some direct descendants of the first families are members.

As the years passed the Church progressed steadily. Membership grew and each Associational meeting was remembered by the delegates from the church for that year. As more families came into the church. the need for more Sunday School rooms were realized. For almost a decade, Rev. N. E. Gresham worked faithfully with the church and guided it into greater growth. More Sunday School rooms were added to the building. The rooms were completed and the floors were finished and ready for

Dobson Chapel is now in the process of making plans for a parsonage. For the first time in the history of the church, the pastor is living in the church Community.
