Trial

Election is over, Halloween is a thing of the past, and now all thoughts ar eturning toward Thanksgiving and Christmas, Phil Kretsch even told me this morning, that the Kenansville Fire Department was discussing Christmas decorations last

The age-old story on the day after election still holds true. some are happy, some are sad, some are gleeful, some are mad, but as is true of our nation, we will all forget our hard feelings and get ready to have another political fight in another four years.

If, I were president, and awoke on November 4, 1964, I don't believe I could be very happy with the tremendous problems facing the United States today. U. S. News and World Report has an article this week entitled "Big Problems For The President". It states that the newly elected President, will run head-on in-to big and growing problems almost from the start. The war in South Vietnam is at the top of the list for attention. Other problems listed are Faltering Alliance, Communists, Dollar Problems, A Tiring Boom, Inflation Revival, Budget, Poverty. Race and Welfare.

Our prayers are with the President, and all men and women in office. May we all be king enough to put our outles to the wheel and make it move in the right direction, and small enough to not have room in our hearts for greed and

Mrs. Oscar Langston, Sr. of Warsaw, RFD was also inspired with Indian Summer. Mrs. Langston writes "What a fairy land it has wrought."
She tells of going to the Cliffs of The Neuse and of how pretty it is this time of year. She says, "We hear often about the its true, but it isn't necessary to go that far if we're looking for beauty. And today as alto enjoy the beauty and privileges that God intended for us."

Decker Named To Industrial Commission

At a meeting of the Duplin County Board of Commissioners on Monday, a report of the progress of the Duplin County Industrial Commission was made by Preston R. Raiford, Executive Director. Mr. Raiford reviewed the work of the commission since its formation a year ago. Included among the accomplishments has been the decision of National Spinning Company to locate a ma-jor industry in the county. The building contractor is now at work erecting the building on the site for the new plant whi-ch is in the Unity Church section near Warsaw and Kenans-

candidate for the State House of Representatives carried only one precinct out of 20, and that by only 2 votes. Locklin gave Godwin 85 votes and Hugh S. Johnson, Jr., the Democratic candidate to succeed himself 83 votes. County-wide, Johnson received 7437 votes against

Godwin's 2991. Robert L. Gavin, Republican candidate for governor, carried three precincts in Duplin by a slim margin, but Dan K. Moore polled nearly three votes to Gavin's one county-wise. Gavin carried Charity, Locklin and Magnolia precincts, receiving only one vote plurality in Mag-nolia, 272 for Gavin, 271 for Moore. In Locklin the vote was 93 for Gavin and 87 for Moore. The vete La the Charity precinct was 248 for Gavin and 206 for Moore. Some of the experts had said that President Johnson would run ahead of Moore in Duplin, but Moore led Johnson by 140 votes. The total count in Duplin was 7283 for Moore and 3578 for Gavin.

Congressman David N. Henderson carried every precinct in Duplin and received 7853 votes against 2562 for his op-ponent, Republican Sherman T.

Duplin voters overwhelmingendorsed the \$100 school bond issue. The vote was 8,641 votes for the bond issue and only 1,934 votes against the proposal. Wolkscrape seemed less interested in receiving the state money, but approved the issue 2 to 1, against 4 to 1 approval in most places and 6 to 1 at Wallace.

Robert W. (Bob) Scott, candidate for lieutenant governor, ran ahead of both President Johnson and Candidate Dan K. Moore in Duplin, receiving 77-

Doctor's Trial In Murder Of Kenansville Woman **Set For Tuesday**

Dr. Hubert A. Eaton, 47, promient Wilmington physici-an, charged with murder in ction with the death of a Kenansville woman, has been free under \$10,000 bond since August 13 when he was indict-

ed by the grand jury.

The trial of Dr. Eaton has been scheduled for November 10 in New Hanover County

Superior Court.
Miss Alma Jenita Frederick, a 30-year-old librarian-teacher, died on July 30, 1963. Dr. Eaton was not charged with the alleg-ed murder for over a year when the New Hanover County grand jury brought in an in-dictment against him on Au-

gust 13, 1964.

At the time of the young wo man's death, Dr. Eaton listed the cause of death on the death certificate as anaphylactic

shock from penicillin.

But, when the charges were filed, Solicitor James C. Bowman said a pathology report showed Miss Frederick died as the result of an attempted abortion, which was alleged by the solicitor to have occurred in Dr. Eaten's office.

Dr. Eaton has said that the charges were "wholly unfoundand asked the public to withhold judgment until he could present the true facts.

Miss Frederick was librarian at Charity High School near Rose Hill, but lived at Kenansville and was buried here. Five months after her death her body was exhumed on December 9, 1963 and turned over to a Wilmington hospital for an

utopsy.
Under the usual court procedure, the doctor will probably be tried for second-degree murder or manslaughter.

Dr. Eaton was a candidate for membership on the Wil-mington Board of Education several years ago and was one of the plaintiffs in a suit to obtain intergation at James Wal-ker Hospital.
