### BEULAVILLE 4-H CLUB MEETS

The Beulaville 4-H Club met Saturday night November 14 in the recreation building in Beulaville. There were 16 members present.  
 The president, Gail Albertson, called the meeting to order. The group said pledges to the flags and had their devotional and business meeting. It was decided that the club would have a float in the Beulaville Christmas Parade.  
 Mrs. Hilda Huckabee and Mrs. Lou Ella Krause served refreshments of cookies, suckers and Peeps.  
 The group made gifts for the Home for the Aging and the Hospital at Kenansville for Christmas.

**Protection**  
 How you can slipcover your slipcovers. That is, you can protect the fabric from excessive soil, especially during the summer months, by applying one of the new aerosol fabric coating sprays. You can also use the aerosol fabric-coater on upholstered furniture to keep it more dirt resistant and newer looking.

**Consider Resale**  
 Planning to build a home? Consider the convenience and the comfort that you are after and, as well, consider that one day you may decide to sell the home for one reason or another. The number of bathrooms, their size, the arrangement of fixtures and their location are all important elements in establishing the value of a home. It will pay you to buy quality fixtures, too.

**No Scratch**  
 You can't get away from cleaning around furniture forever. Sooner or later you'll have to get behind that heavy armchair, and that means moving it. Use cushion glides, rubber casters or castor cups. This will protect the finish on the floors and will insure a longer, brighter life for it.
