A 328-mile-long steel median guard rail is being installed on the Pennsylvania Turnpike to prevent crossover collisions.

About 75 per cent of the weight of an automobile - without passengers or luggage - is iron and steel.

Because of improved raw materials, it took 768 pounds less materials in a blast furnace to make a ton of iron in 1963 than it did in 1957.

H. D. C. MEETING

The Home Demonstration Club met Monday, December 21st at 2:30 p. m. with Mrs. Katie Outlaw and Mrs. Alonzo Outlaw hostess in the Recreation Room of the church.

Mrs. James Parker, Vice - President, called the club to order. Opening song was "O Come All Ye Faithful". Mrs. Alonzo Outlaw led the devotional.

The Demonstration for the afternoon was interesting and attractive given by Mrs. Alonzo Outlaw. Subject, Christmas Strengthens Family Ties. Decorations were used most effectively throughout the room, suggestive of the Christmas season. Leaders reports were music and recreation.

The beautifully decorated Christmas Tree was used as gift exchanges were made. A short business period was held. The club collect was used as the closing prayer.

The Club adjourned to meet with Mrs. R. D. Simmons in January. During the social hour refreshments were enjoyed by a splendid attendance of members and visitors.
