Also Miss Grady's ninth grady Physical Science class has surely attracted the whole school's attention. One of the upstairs display cases reads "The History of the Automo-bile." Models of the very first car up until the "car of to-morrow" are on exposition. Good work freshmen.

Last Tuesday, the first, thirty-seven Juniors started March with a bang. We took the Na-tional Merit Scholarship Qualifying Test. After attempting the test I was ready for the ding-a-ling ward. All I can hope is for at least one of us to make it.

is Miss Judith Conway, who

at the community center Wednesday, March 9 at 2 o'clock to fertilize crape myrtles transplanted last spring.

Mrs. Elvia Hill, treasurer was asked to purchase fertili-zer suitable for the purpose. Mrs. C. L. Sloan of Calypso, was welcomed as a member of the club.

#### ANOTHER GOOD MAN

The other day this farmer said, "Get your wife involved in Farm Bureau, and you've got another good man you can count on."

Looks as though women are about to shed the feminine stigthe men they are.

We don't say that in jest, beto the fullest extent.

That's changing. In Farm Bu-reau, anyway. And North Caro-lina Farm B ureau members

The new look is apparent in this State. There are three women on the North Carolina Farm Bureau board of directors. Several women are adding strong fiber to Farm Bureau state commodity committees. On the county level, there are
