outdoor chefs are very fussy!

Ever since the outdoor cooking fad began, we've been catering to the special needs of outdoor chefs.

Over the years, we've satisfied scores of thousands.

Many, many find just the steak, chops or chicken they want in our self-service meat departments.

Others have specific needs...

the steak must be 2 1/2" thick, the chops double thick and so forth.

That's no problem.

If you don't see it...just ask. We'll be happy to help you.

One other reason we're so popular with "backyard barbecuers"...

the quality of our "Super-Right" Meats.

Quality so high, some meat graded U.S. Choice

just isn't perfect enough to be "Super-Right" Meat.

Is this a good reason for shopping A&P? It's one of many.
