

# PINK HILL NEWS

## A Heart Of Thanks

As Chairman of the 1967 Pink Hill Heart Fund Drive, I wish to express my sincere appreciation for the wonderful work the town of Pink Hill did and to those in surrounding areas who contributed in our town. We had a very hard, but very rewarding month. If the Heart Association succeeds in its research as Pink Hill succeeded with its drive, I feel certain in a year or so our nation's No. 1 killer will be pretty well beat.

I only wish space permitted me to thank each individual again for his work, time and money and definitely the kind words of encouragement. As William T. Card stated in his poem Teamwork: United we can face the fight, Without distress or fuss: A little less of you or me A little more of Us.

That is truly what Pink Hill did. "A little more of US." I do wish to extend our thanks to Jack Rider for announcing our dance free of charge and for the publicity from the Dup-

lin Times-Progress Sentinel, The Free Press, and The Chronicle. And the Mrs. Lou Belle Howard for the pretty cake she baked for our cake Raffle. Mrs. Howard was recognized in a previous writing as selling cake chances, but not recognized as one of the fine people who donated a cake. This was certainly an oversight and we regret it.

To the various special chairmen, committees, clubs, organizations, and individuals who donated food, the two socials, the adults selling tickets, we sincerely appreciate your time, donations and cooperation. To the merchants and dealers - our many thanks, for your letting us put up Heart Fund Posters, and allowing us to solicit for such a worthy cause in your establishments. To the restaurants and drug stores for their successful coffee day.

To the teenagers who gave happily their services in selling tags, balloons, and supporting the dance. Your present reward is the exciting entertainment and helping with an important drive. Your future reward is that fewer of you will suffer from heart, and circulatory diseases at least know how to treat them successfully, should they occur.

The very young at heart, who excitedly not only sold balloons, tags, cake chances but bought so many, bless your little hearts that you may never be faced with the severity of heart diseases.

To all those who participated in the parade in any way, many thanks. You certainly did a fine job of arousing the town for Heart month!

To my family, my very many thanks for your sincere interest, great understanding accepting canned soup when you really wanted a home cooked meal, and all the other things we shared together during the month of February in order to push the Heart Drive.

To anyone who was overlooked, we love you, too, for all you did and our very best to you.

It has been a great pleasure serving as your city chairman. May you and yours have a happy life with a strong, healthy heart.

A heart of thanks,

Ginny Maxwell

## Jaycees Push Heart Drive

The Pink Hill Heart Fund recently received a healthy contribution of \$86.13 from the Jaycees.

A group of local teenagers became interested in donating to the worthy cause. Mr. and Mrs. Graham Turner, Misses Nancy Turner and Betty Hatch, did background work for the dance. The teenagers took over and had such a big idea, the Jaycees volunteered to take over and accept the responsibility and work that was yet to be for the big dance at which "The Wanderers" furnished music.

There isn't a so-called Jaycette in Pink Hill, but the Jaycee wives proved their abilities by making delicious homemade candies, cupcakes and sandwiches to be sold at the dance.

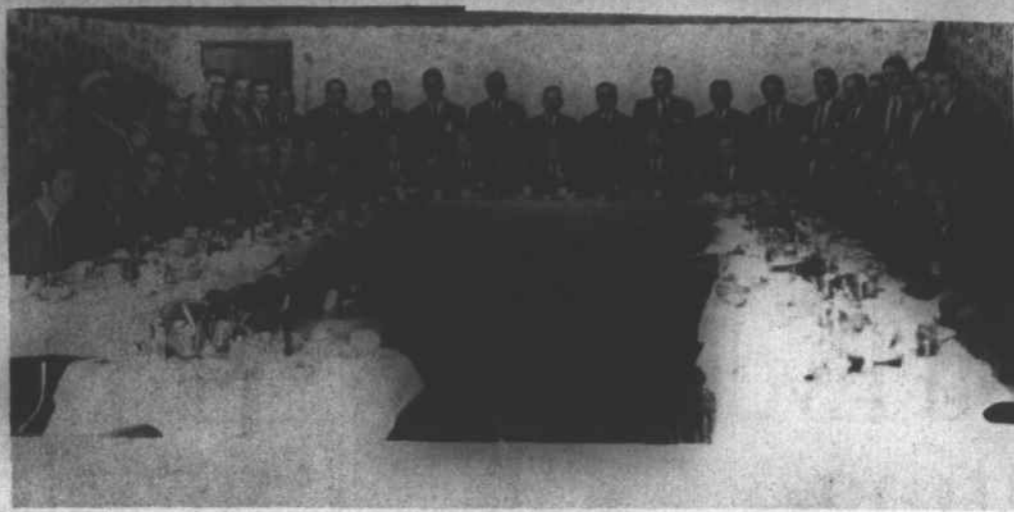

The Jaycees did an outstanding job of chaperoning and selling at the dance. Luther Led-

# Macks Store Announce 23% Sales Gain In 1966

At the annual stockholders and board of directors meetings on Saturday, February 25 at the home offices in Sanford, North Carolina, Macks Stores, Inc. announced a sales increase of 23% for the year of 1966, it was revealed by V. C. McIver, Senior Vice President and Treasurer.

It was pointed out that the company opened three new stores during the year in Asheville, North Carolina, Myrtle Beach, South Carolina, and Sumter, South Carolina. Three other stores were completely re-fitted and remodeled. The store in Timmonsville, South Carolina, was moved to larger quarters and completely re-fitted. The unit in Manchester, Georgia, was enlarged and re-fitted and the store in College Park, Georgia, was completely re-fitted all during 1966.

Mr. McIver stated that the

signed by arrow. Others in the picture from Warsaw are Bobby Martin, South Hill, Va.; Flossie Ezzell, Southern Pines; Dewitt Lewis, Jr., Clemson, S. C.

company is presently operating forty-four (44) stores in North Carolina, South Carolina, Virginia, and Georgia and expects to expand to forty-seven or forty-eight by the end of 1967. One new lease has been announced for a new store in Statesville, North Carolina, which will be opened in late summer. Other negotiations are in final stages for the opening of at least two more new stores before the year's end.

## ATTENDS CELEBRATION

Mr. and Mrs. Robert Worthington attended the Kings and Knights of the Round Table Celebration of Southern Farm Bureau Life Insurance Company, Jackson, Mississippi, at the Greenbriar, White Sulphur Springs, West Virginia, during the week of March 12, 1967.

Robert won this trip by selling in excess of one-half million dollars of life insurance in the year 1966. This was the third consecutive year that Worthington had won this honor.

## Easter Time For Reverence Not Accidents

Easter is a glorious time of reverence and solemn reflection; don't shatter its tranquil mood by driving into one of the thousand or more traffic accidents on North Carolina's streets and highways which the N. C. State Motor Club warns may take up to 19 lives during the extended week end.

The state will officially count its holiday traffic deaths from 6 p.m. Friday, March 24, through midnight Monday, March 27, a 78 hour period.

North Carolina's Easter toll last year climbed to 20 fatalities, after five delayed deaths were reported. Another 703 persons were injured in 1,017

accidents. Nine of the deaths occurred on Easter Sunday.

Of the 944 driver violations reported, the leading causes of accidents were: speeding, 208; failure to yield right of way, 144; driving left of center, 143; following too closely, 80; and reckless driving, 71.

Thomas B. Watkins, president of N. C. State Motor Club, said Easter traditionally opens the spring travel season and motorists will be encountering additional hazards on congested highways.

"Please be cautious and considerate and drive carefully yourself," he urged.

## Duplin 4-H'ers Plan For Area Livestock Show

Four-H'ers will have an opportunity to enter their hogs or steers in the upcoming Kinston Livestock Show and Sale to be held on April 11, 12, and 13, 1967 at the Lenoir County Livestock Development Association Building, Kinston, N.C. This show and sale is a highlight for these 4-H'ers who have worked very hard to produce champion hogs and steers for this event. Last year, Jimmy Jones of Duplin was a Champion Beef Carcass winner.

To be eligible to enter the Swine Junior Division, a 4-H'er must have an animal weighing 180 to 230 pounds. These must be either barrows or gilts and must grade U. S. No. 1 or No. 2. They may have a maximum of two entries in each of the following classes: (1) Individual Hog, (2) Pen of 3 Hogs, (3) Hog Carcass Show (Wts. 190-220 pounds). Interested 4-H'ers should contact the 4-H office before April 1, 1967 in order to enter hogs.

Junior exhibitors of steers must have animals grading good or above and can have only one entry. Steers must be under 18 months of age and are not for, Royce Swinson and Albert Sidney Smith served on the Jaycee Project Committee.

## BRIEFS

Continued from page 1  
All Banks and Savings and Loan Offices in the County will be closed Easter Monday.

## Sells Registered Bull

Joseph L. Williams, Rose Hill, recently sold an Aberdeen-Angus bull to Emmett Rogers, Pink Hill, North Carolina.
