We Gather Together

In Thankful Spirit . . .

To meet with family and

friends . . . to express our

thankfulness for the many good things of life . . . these

happy customs began with the

first Thanksgiving Day. And

may they long continue! At

his sesson, it's our favorite

and best wishes to our friends

and customers. To all of you,

a happy, hearty Thanksgiving!

The college which had its humble beginning in 1954 with 22 students has a student body now of above 350. The original faculty was composed of eight with 65 presently employed. The

library has grown to 15,000 vo-lumes and the campus expanded fr n three to ninety acres. Dr. Carson, Dean of Instruction of the College, pointed out the three major reasons for the

existence of the 14 ege.

1. Educational to give a opportunity for college education to students primarily in the area and other states as well. At present one-third of students commute.

2. Academic Excellence - Only quality and qualified teachers are employed. The college was accredited before student body

## Son Held In Slaying

At a coroners inquest Thursday night, November 16, probable cause was found against Fildo Batts, Jr., 15, of Rt. 1, Falson. The teenager will be held for grand jury action.

Bond was set at \$5,000 for young Betts, set at \$5,000 for

young Batts who alledgly shot his father, Fildo Batts, Sr., as his parents were engaged in a mid-night argument.

Mrs. Batts said her husband

threatened her with a .25 caliber pistol. She managed to push the gun up as it discharged and she called for help.

Batts, whose body contained five bullets from a 22 pistol,

## Attends State Conf. On Special Education

Mrs. P. G. Blanton, teacher of the Rose Hill Trainable Class of the Duplin County Associa-tion for Retarded children, returned home on Saturday from Charlotte, N. C. where she attended the 19th annual conference for teachers of special Education Classes in the State. Mrs. Blanton States that the Mrs. Blanton States that the Conference was well attended and was most helpful and informative for Special Education teachers. About one thousand special education instructors from across the state were present to hear a series of addresses and to participate in study groups pertaining to their field of teaching.

On Friday, the associate state superintendent of public instruction, J. E. Miller, called for more teachers to meet the needs of handlcapped children. He urges that High School stu-

### Duplin's Overseas Christmas List

Have you sent in the name of a Duplin man serving in the Ar med Forces overseas? The list ring, but the time is flyand we have only two more weeks of time before it is too are to publish the names. The Duplin Times Issue of December 7th will be the last issue

to carry an address, as the Post Office Department says that December 11th Is the last date cards can be mailed and reach first class postage

We want every Duplin boy yer seas to know that his "home-folks" are thinking nim and wishing him well.

Mall is of utmost importance a man far from home. If receives mall he is happier. In does not, he is despon-

so alert. Its just that simple. If a man is bored, he may be careless and then he is in trou-

We invited you to clip this list and send these boys a card. It may be the thing that makes him safer as well as happier. Send names of Duplin boys to Mrs. L. A. Wilson, Box 24 Rose Hill, N. C. The response has been excellent and some of

the letters heart-warming. We appreciate your cooperation in this project.

Here are some comments Mrs. Wilson has received with addresses:

addresses:

"I can never find the words to tell you how my heart rejoiced at having this opportunity to let others show him they are thinking of him by mailing a Christmas card. He says it makes him feel so good to hear

from home." "I think it is wonderful for people to do this."
"I have on my Christmas

list cards for every name you print in the Duplin Times. I know it will make our boys hap-py to know we're thinking of them."

"He sure will have a happier Christmas by receiving cards from our people in Duplin." "I'm sure it will mean a lot to these boys."

"We are sure our boy will appreciate any mail from home, and most of all your prayers."
So print clearly the name and address of your service man overseas, and state what community or town he is from. Clip each list and send each boy a greeting this Christmas.

### Comms. Hear Plea For Air Port In an adjourned session M

day the board of commissioners heard a plea from the Diplin Development Commission to establish an air port in the Warsaw-Kenansville area of Duplin County. No action was taken, but a committee will be appointed to investigate the fea-sibility of this.

About twenty persons representing Funeral Homes furnishing ambulance service for the county met to discuss discontinuance of ambulance service for the county met to discuss discontinuance of ambulance service. vice in the area.

A delegation also met with the commissioners to rquest the paving of a short horse-shoe shaped road near the city limits of Warsaw. No action was

Full-scale model of Lunar Orbiter Satellite vehicle c display at James Sprunt Institute,

# Student Registration At JSI To Feature Moon Vehicle and Design, Radio and Tele-vision Repair, Cosmetology, Masonry and Welding.

A full-scale model of the Lunar Orbiter Satellite venicle will be shown at James Sprunt Institute in a exhibit assembled by the National Aeronautics and Space Administration (NASA) in conjunction with student registration for the winter quarter. Students are requested to visit the campus on Wednesday November 29, 1967 and register for their courses between 8 a.m. and 5 p.m. New students who did not attend last quarter may enter at this time. Classes will begin on Thursday November 30, 1967 and end on February 27, 1967.

part-time) have enrolled at Ja-

mes Sprunt institute from September 6, 1967 to the present time, 127 of these studnets were full-time in technical and vocational programs; and an additional 54 part-time students are enrolled in these programs. The remainder are enrolled in extension sourses.

New and returning students may register for the Associate Degree programs in Accounting, Agricultural Business, Business Administration, Commercial Art and Design, Executive Secretary, Legal Secretary, Medical Secretary, and Poultry and Livestock.

Students may enter diplima (1-year) programs in Drafting

Masonry and Welding.

The 14 ft, Lunar Orbit Satellite on display during registration, is sponsored by the Drafting and Design Department. The display reviews information supplied during missions flown by four of the picture-taking spacecraft, looking for suitable Moon landing areas for United States astronauts. Visitors will be able to view two 40 x 60 inch photo enlargements of pictures taken by Lunar Orbiter. One of the photos shows the Moon's rugged Marius Hills.
