

DeWitt Miller To Be Listed in Book

The Rose Hill Jaycees announced today that DeWitt Miller has been selected for inclusion in the 1968 edition of OUTSTANDING YOUNG MEN OF AMERICA. These men were nominated earlier this year by the Jaycee chapter and have been selected for publication.

OUTSTANDING YOUNG MEN OF AMERICA is an annual project of the Outstanding Americans Foundation. Mr. John Putman, one of the Ten Outstanding Young Men of America for 1966 and the President of this nonprofit foundation said, "It is the purpose of OUTSTANDING YOUNG MEN OF AMERICA to recognize and honor the young men in our country who are working toward excellence in their careers and community service. It is these young men who will soon be the leaders of our country."

Doug Blankenship, past U. S. Jaycee president (1962-63) who is serving as chairman of the Board of Advisory Editors, said that the men selected "have

distinguished themselves in one or more fields of endeavor to the point of being outstanding." The men chosen are between the ages of 21 and 35.

OUTSTANDING YOUNG MEN OF AMERICA is an annual biographical compilation of approximately 10,000 young men of outstanding rank throughout the country. Nominees for the book came from many sources. However, the majority of the nominations are made by Jaycee chapters and college alumni associations.

President Lyndon B. Johnson has said about the Outstanding Young Men book, "The decision to honor in this manner the outstanding young men in our country is most welcome; it serves to spur these future leaders of our land to even greater accomplishments and it encourages others to follow their example."

John Glenn, America's first astronaut to travel in space has written the introductory message for the 1968 edition of

OUTSTANDING YOUNG MEN OF AMERICA. This will be the fourth edition of this annual biographical compilation.

Grandson of Rose Hill Resident Chosen for All State Band

Jimmy O'Neal of Plymouth has been chosen by audition to play in the Eastern Division All State Bands, and placed highly enough to be chosen for the Symphonic Band.

Jimmy is the grandson of Mrs. O. A. Teachey and the late Dr. Teachey of Rose Hill, and is the son of Mr. and Mrs. Jimmy O'Neal of Plymouth. His mother is the former Johnnie Teachey of Rose Hill.

Auditions were held on January 20th at the school of Music at East Carolina University for the selection of students to perform in the Symphonic and Concert bands of Eastern North Carolina. These bands are made up of personnel from the various High School bands of N. C. and are chosen by audition. Of those chosen, students with the highest audition scores are placed in the Symphonic Band. Students with the next highest scores are placed in the Concert Band. This year the Eastern N. C. Symphonic band will be conducted by George W. Knight, Assistant Director of Bands, East Carolina University.

In order to qualify for Symphonic Band, Jimmy had to rank in the top ten of his section (trumpet) of all of those auditioned.

Jimmy is an outstanding young man in his school. He is Trumpet Section Leader in the Plymouth High School Band, President of the School Band, Vice-President of the High School Council and a member of the National Honor Society. Just recently he was elected by the Student Council as "Student of the Month" for February.

A performance of both Symphonic and Concert All-State Bands was presented on February 10th at East Carolina University. The bands rehearsed for two days and presented the concert on the evening of the second day.

Two other members of the Plymouth High School Band placed in the All State Concert Band.

Band Director in Plymouth is John D. Lowry, whose wife is from Duplin County, and is the granddaughter of Mr. Vivian Wells of Kenansville.

These young people and their Director are to be congratulated for achieving the honor of having three of their school band members chosen for All-State Band.

Some little piggies go to market, some little piggies stay home, but this little piggie will probably go many places as a freak in a circus side show. Normal in most respects and quite vigorous he has two snouts and three eyes. The spare snout is the smaller of the two and is located at the base of the left eye which covers the third eye. The pig is one of a litter of seven, and is the property of Matthew Southerland, Jr., Route 1, Magnolia and is displayed by Little Kay Ruth Southerland.
