

Dr. Carr To Speak Mt Zion Homecoming

The guest speaker for the March 24th morning worship service at the Mt. Zion Presbyterian Church at Rose Hill will be Dr. James M. Carr who is kin to many of the residents of the area. This is Homecoming Day for the Mt. Zion Church and a covered dish lunch will be served following the morning service.

Born at Wallace into the congregation of the Rockfish Presbyterian Church, Dr. Carr was reared at Burgaw. During the summer as a boy he often visited his grandparents at Rose Hill and attended the Mt. Zion Sunday School.

Rev. Carr is a graduate of Davidson College and Union Theological Seminary, Richmond, Virginia, and holds many degrees including Doctor of Theology. His ministry includes the Pastorate and various departmental chairmanships with the Board of the Presbyterian Church U. S. As an author he has written four widely read books in connection with the Town and Country Department of the Board of Church Extension.

The Pastor of Mt. Zion Presbyterian Church, Rev. W. Clark Porter, III, states that Dr. Carr will be in Rose Hill for two days March 24th and 25th in connection with other church work.

Miss Holt Co-Chairman Focus Week

Focus Week at the University of Corpus Christi is designed this year with the total college in mind, attempting to show students a Christianity which is workable in the 20th century and in their personal lives, according to co-chairmen Jack Hinds and Miss Phyllis Holt of Albertson.

Understanding will be the central thought on campus from March 18-21 as students from various backgrounds and cultures seek to understand each other and the heritage each brings to the college.

During the four-day session students will attempt to understand themselves, their problems, and the problems of the country and the world, Miss Julie Mitchell, Baptist Student Union director said.

tion will pay membership fees and annual dues to support the facility. In addition, income will be received from green fees charged non-members.

The facility will serve the communities of Beulaville, Pink Hill, and surrounding rural areas of Duplin and Lenoir counties. Approximately 5,000 people live in the area to be served, and some 800 will use the facility each year, association officials estimate.

Supporting this project are the County Government officials, Duplin Development Commission, and other community organizations.

Construction of the project will provide 2700 man-days of labor for carpenters, grading crews, masons, electricians, and other workers and remove approximately 100 acres of land from crop production. Some 50 people will be employed in the construction of the facility. Approximately three new jobs will be provided in the operation and maintenance of the golf course and related facilities.

Funds for the insured loan were provided by Waccamaw Bank and Trust Company of Beulaville, under the insured program, the Farmers Home Administration makes and services the loan and guarantees repayment of the money borrowed along with interest.

"Recreational projects of this type boost rural areas development," Director Hearn points out. "Such endeavors bring new jobs to rural communities and provide much needed recreational facilities for urban and rural families. These facilities also help develop the type of rural community that encourages young people to remain in their home towns, attracts industries, and promotes tourism. These projects generally utilize land not needed for crop production."

The Farmers Home Administration loan will be repaid over a forty-year period.

Association officers are Wilbur Hussey, Jr., President, Beulaville; L. C. Turner, Vice President, Pink Hill; Russell A. Bostic, Secretary, Beulaville; and Luther E. Ledford, Treasurer, Pink Hill.

This is the fourth loan to be made to a rural group in Duplin County for development of a recreational facility. Loans of this type were authorized by the 1962 Food and Agricultural Act.
