## Prayer

Our Father, thou hath seen our help in ages past and thou art our hope for years to come. We know that thy love is still pure and steady, for our daily blessings, tests and experiences make known this truth. We thank thee for thy truth, love, faithfulness, and presence in all our conditioning experiences, and we ask thy continued blessings to be with Mrs. Ward's family and all others whom she loved dearly. Grant unto them and to us, O Lord, a deeper understanding of thy will and thy plan for our lives, so that we like Paul can believe "For me to live is Christ and to die is gain". We ask these favors in the name of our loving and forgiving Master whom to know aright is eternal life. Amen.

The above tribute to Mrs. Edna Ward was presented at the East Duplin High School on Friday March 22. Mr. Edgar Wells, of the faculty was in charge of the program.

## Worth Quoting

"Many times a day I realize how much my outer and inner life is built upon the labors of my fellowmen, both living and dead, and how earnestly I must exert myself in order to give in return as much as I have received. My peace of mind is often troubled by the depressing sense that I have borrowed too heavily from the work of other men" - Albert Einstein "One Mans Debt," Supervisory Management. (Given to me by Mrs. C. F. Hawes, Rose Hill.)

Seven Sentence Sermons" (from my old scrapbook)

1. Reading maketh a full man, conference a ready man and writing an exact man - Bacon.
2. Take each man's censur, but reserve thy judgement. Shakespeare.
3. The past's a book wherin, some truths are found, but not a chain by which men's feet are bound - Anon.
4. Too low they build who build beneath the stars - Young.
5. Thou art a God ready

Construction progresses at a rapid rate on the building in Rose Hill which will be the home of new industry. A corporation has been formed by civic minded Rose Hill Citizens to provide this facility which will bring badly needed employment to many people in the area.

## East Duplin High School Memorial Service for Mrs. Edna Ward

"And we know that all things work together for good to them that love God, to them that are called according to his purpose."  
Time, Life, and School years are precious and very dear gifts to us, so that every day one should live lovingly, friendly, honestly, gratefully, and faithfully. Nobody really has any hour for wasting since each hour is a part of our lives. Mrs. Ward filled her life with Love, Happiness, Faith in children, and Service to all ages. She enjoyed living because she was sincerely dedicated to doing her best in all things. One of her many qualities was to take what life brings with humility and a radiant smile. We who have known her for months or years are grateful for her full life, and for our warm memories of her good work, true and cheerful example, and Christian spirit as our teacher, neighbor and friend.  
"Happy are the pure in heart, for they shall see God."
