Worth Quoting

Some time ago we printed one official State song and any other that we love, "Hol For Carolina", just as inspiring and beautiful. This week we bring you the official toast to North Carolina. It was written in 1904 by Leonora Martin and in 1904 by Leonora Martin and Mary Burke Kerr and was officially adopted as the toast of North Carolina by the General Assembly of 1957 (Sessions Laws, 1957, c.777). From time to time we will publish interesting facts about our illustrious state, and hope that pride in our state will be enhanced by these articles.

We never hear of the schools observing "North Caro-lina Day" now adays. Formerly, this day was the high-light of the school year, and we recited the toast, sang the songs, and tole stories about our state's illustrious fast. We also learned many of the facts that will be repeated through a few articles we will publish

This, then, is our toast and we hope it will be memorized and remembered by many. Clip this out for keeping.

in a fine performance.

All of the others characters

All of the others characters took their parts well. The Sharecroppers, and Singers did a fine job, as did the children. The scenery and lighting was very effective, especially in the scene where Senator Biliboard was struck down. The music was outstanding under the direction of Mrs. Roy Lee Griffin, Jr., and Mrs. Murphy Singletary, planists. The familiar musical numbers were most enjoyable.

Senior Citizen Celebrates

Birthday

Mr. W. E. Fussell, senior citizen of Rose Hill was honored by his children and grandchildren last Sunday on the o-ccasion of his 86th birthday. A family dinner at the home of his son and daughter-in-law, Mr. and Mrs. Kenneth D. Fusall of Mr. Fussells children

present to wish him health and Mr. William Edward Fussell, better known as "Cousin Willie" to the majority of Rose Hill, is a native of Rose Hill and has lived all of his life in Duplin County with the ex-ception of two years in Ral-eigh and two in Clinton; while his business has mainly been farming and dairying, he has been interested in several types of businesses and has served on various Boards of Directors and in other advisory capacities. He has also served in many civic positions in the areas of Duplin in which he

has lived, -- namely Rose Hill, Warsaw, and Bowden. In 1894 Mr. Fussell became a member of Corinth Baptist Church, just west of Rose Hill. When he was eighteen years old he became a deacon in his church and has served as a deacon in each church to which he has belonged continuously since then. Sixty-eight years as a church deacon continu-

ously is a record that cannot be tapped by many men today! Retiring from business some years ago was not a time for this man to sit around and rest. He keeps working at home, and is wise enough to know how to mix work and rest in just the right proportions for the best results. As a hobby, Mr. Fusseil grows camellias, propogating his plants himself, and is especially successful in grafting new plants. Annually he enters his blooms in flower shows near his and appropriate the second se shows near by, and annually he wins his share (and more) of blue ribbons for his beautiful

blooms.

Fishing is also a favorite way to stay busy. He started the summer season off by going down to Topsail for a day of pier fishing last week, but the wind was wrong and he nor his partner had any luck -- and thats all right, for there will be another trip soon, and may be, this time -- he will catch them. Mr. Fussell's dominant characteristic is optimism, and

well loved person who is a joy to all who know him. Attending his 86th birthday dinner today other than Mr. and Mrs. Kenneth Fussell were Mr.

About 1932 or '33 the above young ladies were on a house party at Carolina Beach. At the time this picture was made, the last day of the party had arrived and Mr. Burke Herring and Mrs. Lula had driven down to take part of them home. They brought along young Bobby, who is perched on the rail, and neice Rosa Farrior and her pet dog.
