## The Reminiscence is Dedicated to Mrs. Wilkins

The Wallace-Rose Hill High School annuals arrived last week. This year Reminiscence is dedicated to Mrs. Clara Wilkins of Rose Hill. The dedication in the yearbook reads as follows: "For Service, Understanding as Guidance... The Reminiscence Staff of 1968 elected to dedicate this yearbook to Mrs. Clara Wilkins. Mrs. Wilkins is past advisor for the yearbook, but continues to give moral support to the staff. She works closely with the students at Wallace-Rose Hill High School. Her warm smile and eager enthusiasm greet all students as they enter the classroom."

"Mrs. Wilkins is always eager to help in any way that she can, and her calmness and helpfulness has consoled many a student. She has a certain 'knack' for always saying the right thing at the appropriate time, and for this we admire and respect Mrs. Wilkins and do dedicate this 1968 REMINISCENCE to her."

Mrs. Wilkins teaches Modern Problems, World History, and Junior English. She graduated from the University of North Carolina at Greensboro. On Tuesday morning the student body assembled in the auditorium for the dedication ceremony.

The staff of the 1968 yearbook is to be congratulated on the fine book they have produced. It is something that all students and teachers will cherish for years to come.

The Rockfish Homemakers Club met on April 24 at the home of Mrs. David Williams. Mrs. Robert Ward, president presided.

Mrs. Mae Spicer, Duplin County Home Agent, spoke to the group on the subject "As the Twig Is Bent". She said that the way we eat as adults depends on how we were fed as children. Sometimes we feed our animals more scientifically than we do our families. If we eat a large variety of food we are most likely to get a balanced diet. There was a discussion of how to get children to eat all foods.

The group present voted to make a tour of Old Brunswick and Wilmington in June, and to take a trip to Tryon Palace in New Bern in July. It was planned to have the annual Family Supper in August.

The group felt that this is a very worthwhile project for any club, or individual. The museum is open to the public, and there is no charge. Everyone is invited, but if groups are going Mr. Johnson asked that reservations be made, in order that too many people will not be there at one time. Many gourds are hand carved by American Indians, and some are from New Zealand. One is valued at \$375. Punch bowls, Christmas ornaments, and many other objects are made from gourds.
