

# Heart Fund Chairman, Thanks For Contributions

The 1968 "Give Heart Fund" "Stop Heart Disease" Campaign is completed and it is most gratifying to know that the results of your outstanding work will continue to help and save the lives of our heart patients throughout the whole year. Your generous contributions resulted in a total contribution of \$8,250.10. Mrs. Edward L. Boyette of Chinoquin, Duplin Heart Association President, said today.

The Duplin County Heart Association wishes to thank all the citizens for this generous contribution to the Heart Fund. "We are very proud of all our citizens who helped to make this such a successful drive."

Mrs. Boyette, County Chairman, and Mrs. Hattie Dobbins, Co-Chairman, want to thank everyone for all the extra time and effort they devoted to the Heart Cause through their excellent leadership in organizing the county drive. "To all the workers, including adults, teen-

agers and children, we extend a special word of praise for a JOB WELL DONE," the Heart leaders asserted.

This year in several communities, teen-agers and children were responsible for the collections of our Heart Sunday Drive and the sale of Balloons. To them the Heart Association, Mrs. Dobbins and Mrs. Boyette extend a personal thanks; we are most proud of this type of leadership in our Duplin young citizens who have shown so much concern for all our hearts.

Again for the second year our Duplin citizens are to be commended for being one of the outstanding counties in the state of North Carolina who organized and gave the greatest number of Special Events for the Heart Fund Drive. Among these events were the Chicken Supper, the Bake Sale and Coffee Days at Magnolia; the Heart Fund Benefit Variety Show at Wallace; the Coffee Days held at Reba's Restaurant, Hland's

Grill and Ghaynelle's restaurant at Warsaw; the Road Block, the contributions collected at the Basketball Games held at East Duplin High School, and the Coffee Days held at Bostic Drugstore at Beulaville; the Talent Show at Cedar Fork Community; the Teenage Dance held in the Pleasant View Community and the Sale of Pecans by Mr. Bordeaux of Kenansville.

The Heart Association not only wants to thank all the leaders who were responsible for organizing these events, but also each and everyone who contributed in any way their time and effort to make these Special Events so successful.

A special word of praise is given the personnel of the J. P. Stevens Co., of Wallace and the Calypso Plywood Co., Inc. of Calypso who contributed such generous in-plant donations to the Heart Fund Drive.

We are proud of the splendid response from the people of Duplin County to the 1968 Heart Fund appeal. It is evident that each of you understands the seriousness of the heart problem, and on behalf of the Duplin County Heart Association we thank you for this wonderful work. You truly all have "Had a Heart for Heart!"

**Bob Gavin**

residents of the area. He has attended Sunday School and church at the Johnson's Baptist Church all his life. He has been quite active in this church and it was here that he felt the call to preach. The church licensed him to preach in 1966.

He has for some time been serving as a supply preacher in the various churches of the area. Recently he was asked to serve as the interim pastor of the New Hope Baptist Church. His request for ordination was recently presented to and approved by the Johnson's Church. He was accordingly examined by the Ordination Committee of the Eastern Baptist Association, who recommended that the church proceed with his ordination.

Delmar Parkerson, Pastor of the Carrboro Baptist Church, formerly pastor of the First Baptist Church, Warsaw, will bring the ordination sermon. Rev. Henry Simpson, Eastern Association's Missionary, will present the charge to the candidate. Rev. Charles Hinson, Pastor of the First Baptist Church, Warsaw, will lead the ordination prayer. The presentation of the Bible will be by Percy Gavin, Bob's father and a deacon of the church.

The public is cordially invited to attend this service.

**Ramblewood Country Club**

Western Jones and Onslow counties and is located on rural paved road between Beulaville and Pink Hill.

The facility will include a 9-hole golf course, driving range, a club house, a proshop, locker rooms and a club room, a regulation size swimming pool and bath house, playground for small children, picnic areas, etc.

It is located on a beautiful rolling wooded tract of land consisting of 140 acres. Many of the pretty trees will be left but plenty of land will be available for other recreational purposes such as camping and softball. The club house will be located on a side road and not the main highway.

Officers for the Ramblewood Corporation are Wilbur Hussey, Jr., President; L. C. Turner, Sr. of Pink Hill, Vice-president; Russell Bostic of Beulaville, secretary; Luther Ledford of Pink Hill, treasurer. Directors are W. B. Cutler, Richard Williams and Morris Grady of Beulaville and Harold Hardison and Roy Taylor of Deep Run and Albert Smith of Pink Hill.

The club now has a membership of about 216.

ed and got a re-run election and then lost by a margin twice greater than before.

In recent months, the union has promoted a great fanfare of publicity about Labor Board rulings against Stevens--rulings which the courts have allowed to remain largely in effect. In the light of these, the union leaders loudly proclaimed, Stevens employees would now vote for the union. The union selected Statesboro and called for an election among the employees in that plant. Yesterday it received their answer.

"In all of this, we are deeply grateful to our employees throughout the entire company. Again and again they show that they share with us the basic faith and belief that we can best work out our problems and our future together -- not through a Labor Union," stated a spokesman for the company.

**Practice Teachers**  
GREENVILLE -- Teaching interns from East Carolina University are now at work in school systems in nearly one-fourth of North Carolina's 100 counties.

According to Dr. Thomas A. Chambliss, director of student-teaching, 337 interns are assigned this spring to school systems in 24 counties of the state and in Norfolk, Va.

In DUPLIN COUNTY, Beulaville is Roy L. Barnhill, Burgaw, history; Harriet E. O'Leary, Warsaw, geography; (East Duplin High School).

**Marsha's Prescription: Smile!**

Getting started is often the hardest part of a job . . .

You can't plow a field by turning it over in your mind.

Did you hear about the father who fainted when his son asked for the garage keys and came out with the lawn mower?

This is the time of year when some colleges are lowering their requirements with an end in view -- to say nothing of some guards and tackles . . .

When the mechanic told her she had a short circuit, she asked if she could wait while he lengthened it!

You won't have to wait for spring pep and vigor. Get your Super Pienamins now at BREWER DRUG CO., Pink Hill, N. C.

**Deborah Freeman**

ing Medal which was presented by Mrs. Annie Mae Brown, in the absence of the County Superintendent. Mrs. Brown, Supervisor of Instruction in the Duplin County Schools, was Coordinator of the Spelling Bee.

Mrs. Mary Dixon Brown, Guidance Counselor at James Kenan High School, was the pronouncer. The judges were Mrs. Sallie C. Ingram, Director of E. S. E. A.; Miss Annie Mae Kenon, Supervisor of Instruction of the Duplin County Schools; and Mrs. Magdalene Stanell, Supervisor of Instruction of the Duplin County Schools.

The winner and runner-up of the County Spelling Bee will go to Wilmington to participate in the Regional Spelling Bee to be held Saturday, May 4, at 2:00 in the New Hanover High School Auditorium. The public is invited to attend.

**"Lest We Forget"**

We know that everybody will wish to express remembrance and gratitude by wearing a poppy on Saturday, May 4th.

The memorial poppies have been made by disabled war veterans, working in hospitals and convalescent work rooms. The work is considered valuable as occupational therapy in addition to giving the disabled man the encouraging experience of earning a little money once again.

The American Legion Auxiliary supplies material, then pays the veteran for his work. An estimated 150,000 volunteer workers from the military distribute some 90 million memorial poppies on Poppy Day. All contributions from the public are used to help disabled veterans and their families.

LET'S WEAR A POPPY!

The Democratic County Convention for Duplin County is slated to be held at the courthouse in Kenansville, Saturday, May 25, 1968. Further details concerning this will be given at a later time.

**Letter of Appreciation**  
Continued From Front Page

Guard rendered this department during our recent civil disturbance. You will never know what a relief it was to see your men moving into the troubled areas to help our men out of a very critical situation. We have heard nothing but praise from our men for the cooperation they received from the Guardsmen who worked with them, and for their willingness to back them up on every situation. If it were possible to write a special commendation to every man who served in Wilmington, I would gladly do so, but since it is impossible, I would like to request that you convey our thanks to those men who are under your command. I am especially grateful to you, Colonel, for your invaluable assistance to this office during our advance planning in preparation for this type oc-

**Career Day**  
James Sprunt Institute is having a Career Day for high school seniors Sunday, May 5, 1968, from 1:00 p.m. to 5:00 p.m. The students are encouraged to bring their parents.

The James Sprunt Institute administrative staff and faculty will be present to discuss the courses of study and training programs offered by the Institute. They will also furnish information on job opportunities in the various fields of employment.

This event will give the seniors and their parents an opportunity to see the facilities which are available to them for specialized training.

It is our belief that these coordinated preparations and the cooperation between our two organizations prevented what could have been a major disaster to the city.

It is the feeling of all of us that the National Guard actually "Saved" the City of Wilmington by their quick response to our call and their effectiveness in suppressing every incident. Needless to say, this department has the deepest admiration and respect for the abilities and performance of the North Carolina National Guard. Sincerely, H. E. Williamson Chief of Police

# If you're concerned about the kind of government North Carolina will have for the next four years, spend the next few minutes reading this ad in behalf of Mel Broughton for Governor.

Since Mel Broughton announced his candidacy, he has spoken out clearly and consistently on the major issues confronting North Carolina. Here is where he stands now--and where he will stand as governor:

**On Law And Order:**  
"As governor, I would use every resource to put down riots and apprehend the criminals and hoodlums who start and participate in them. I also would seek to eliminate the problems that cause riots."

**On Education:**  
"I have recommended pay raises that will at last bring teacher salaries in North Carolina up to the national average and keep them there for the biennium. Higher salaries will help attract and keep better teachers and strengthen our educational system."

**On Improving Roads:**  
"We should continue as rapidly as possible to upgrade existing routes from east to west and north to south until all primary roads are four laned. We also must have more and better secondary roads throughout our state."

**On Medical Centers:**  
"Medical centers in the east and in the west in coordination with regional universities, existing hospitals and clinics could do

much to cure the ills resulting from weak medical services in those regions."

**On Agriculture:**  
"The economic status of the farmer in North Carolina must be improved. As governor, I would form a task force of our best scientists, agricultural specialists and business leaders to seek answers to farm problems."

**On Fiscal Matters:**  
"We must make sure that North Carolina receives a dollar's worth of value for every dollar we pay out. As governor, I would continue the sound principles of fiscal responsibility and fiscal integrity that have guided our state for many years."

## New Business In Pink Hill

Scott Rhodes Florist Shop in Pink Hill will open on Wednesday, May 1. It is located on Main Street in Pink Hill next door to Dr. Ruffin's office.

The new business will be operated by Rodney Scott Rhodes who is originally from the Pink Hill area. The new florist shop will offer all services such as wedding, funerals, table decorations, artificial arrangements and many other floral services.

Scott is the son of Mr. and Mrs. Joe Hill Rhodes of Pink Hill and a graduate of East Duplin High School in the class of 1964. After finishing High School he attended MacFarland School of Floristry near Raleigh, and after graduating from there, he has worked for the school for the past two and one-half years. During the time when he worked there, he helped decorate the Governor's Mansion for the Christmas season.
