PRO I. B. DUFFER
Duplin Country Club

tie goes on...top hunters like Gib Back, Willey Booth, Bill Helton, and Nelson Carlton have fallen by the way side. Former JK star Johnny Carlton defeated the ever-dangerous Willey Booth one up; while A.M. "Mr. Golf" Benton stopped favorite Gerald Quinn, then came back to down Bill Helton in a sudden death playoff. Joe Costin edged everybody's favorite Gib Back and Mount Olive College coach Larry Nance eliminated lefty Nelson Carlton.

and speaking of playing with Mr. Thomas brings to mind another real credit to the game... Glenn Brock. The 19th hole would like to see you on the course more often...please.

Young golf star Vic Owensby, Jr., fired a three-over 76 last week...with an eagle on number eight.

would like to announce to all players...take the sand traps and repair ball marks on the greens...please.

The 19th hole committee has chosen Mr. and Mrs. Phil Kretsch of Kenansville as "members of the week" at Duplin Country Club. Phil a long time member of the Board of Directors shot his all time low score 42 Sunday. Juanita is a past president of the Sandhoppers Golf League. Congratulations to two nice people.

The second Annual Duplin Country Club Invitational Golf Tournament will be held June 22-23, it was announced by tournament chairman Hugh Carlton.

George Williams of Clinton shot a 70-70-140 to win the inaugural invitational at Duplin and will be back this year to defend his title. He finished a stroke ahead of Fred Sexton of Whispering Pines. A field of 120 is expected. The entry fee of \$15 includes the cocktail party and dance for contestants and their wives. Club Pro Marvin Watson is accepting entries.

Club standout J. P. "Hun" Smith of Magnolia says, "Every good player steps up to a shot knowing exactly how he's going to hit the ball."

Mount Olive's Murray "Bronco" Cashwell says, "There is nothing more suspicious than a golfer walking toward the rough with a tee in his mouth."

All ladies wanting to attend

In the third flight, Southern Wayne Coach Jimmy "stick" Adams takes on another Carlton, this time a fellow called Ward "Papa" Carlton; while little All American basketball star Bobby Franks tangles with young handsome Warsaw attorney Gene Thompson.

Newcomer Jerry Nelson told the 19th hole Monday that he played the first five holes Sunday as pretty as you please... but then it went to sevens and eights...total nine hole score... I don't remember.

The 19th hole wishes to express sympathy to the Freddie Bell's in the loss of his mother.

Some 26,000 steel tunnel liner rings--18 feet in diameter, 2-1/2 feet wide and weighing three tons each--will be used to build 12 miles of subway tunnel for the San Francisco Bay Area Rapid Transit District.

Mount Olive Junior High Principal Pistol Pete Gurley defeated another Carlton, this time Fisher to move to the semifinals in the fourth flight. Another fourth flight match shows Warsaw's Charles Hinson, Baptist Preacher, defeating Magnolia's mayor-protem Melvin Pope. Robert "cousin" West drew a bye.

The only action in the fifth flight saw Kenansville's O. P. Johnson defeat his very likeable friend Hopton Smith of Warsaw. Tommy Gresham drew a bye as did Pat Mathis. Johnson will face Mathis with the winner playing Gresham for the championship.

Nice to see Vic Owensby, Sr. out playing after recovering from a heart attack. The 19th hole wishes you many years of golfing.

Burgaw's Dr. John T. Dees scored his first "hole-in-one" playing with Ed Farris. Dees had a 90 and Farris 89. He scored his once-in-a-life time shots on the short number two using a 9-iron. Congratulations Doctor.

I. B. Duffer had the pleasure Saturday of playing with the nicest gentlemen ever in C. J. Thomas. The very likeable "Bantam" treated I. B. with his lowest nine hole score 33 on the first side...by the way Mr. Charlie fired an even par 72. What else can you ask for playing with Mr. Charlie. It is always a real joy.

FOR

REGISTER OF DEEDS

DUPLIN COUNTY

An open letter to Mrs. Christine Whaley Williams, Register of Deeds of Duplin County and a candidate for re-election on May 4th.

April 26, 1968

Dear Mrs. Williams:

Since announcing my decision to be a candidate for Register of Deeds in Duplin County, I have had the opportunity to meet and talk with hundreds of qualified voters in Duplin County. As a result of meeting and talking with these people, I have been motivated to ask you the following questions, questions which I am sure you will welcome the opportunity to answer in an open statement to the public.

First, I am proud of the progress that Duplin County has made under the leadership of its elective and appointive officers of which the Register of Deeds is no exception.

Mrs. Williams, I quote you in your leaflet dated April 25, 1968, "We must tell it like it is, we must recognize the blunt tools of those who try to divert attention from the job we are doing." unquote.

You make much reference to your office staff. May I remind you that the voters of Duplin County do not question the qualifications, competency or dedication of these employees, nor are these employees up for re-election or re-appointment. In fact, they are to be commended for the fine service they are rendering. However, it would appear that you would have the voters believe that you are indispensable as Register of Deeds, and that the Office of Register of Deeds along with its important records would degenerate to that of a dreadfully mangled and putrefied condition, were you not re-elected to this office. Is this attitude of mind on your part an indictment against the integrity of the voters of Duplin County to elect a successor to your tenure of office on May 4th?

Mrs. Williams, you further appear to be trying to confuse the voters by making reference to the handling of many of the detail procedures of the office and the purchase of modern equipment in order to keep pace with the changing times. Was it not mandatory and expected of you during your tenure of office that you become familiar with the laws and procedures effecting your office? Were you not well paid with taxpayer's money for your service? If this be true, why should the voters feel obligated to keep you in office for the next 13 years, or to the age of retirement?

Mrs. Williams, in your campaign literature dated April 25, 1968 you quote in part a letter of congratulations and appreciation to the Chairman of our Board of Commissioners for services rendered by your office. I ask you if you did not personally request the Attorney and Counselor at Law from Greensboro, N. C. to write this letter to the Chairman of the Board of Commissioners so that you might use it for the purpose of promoting your political prestige?

Mrs. Williams, I am informed that your office charges the taxpayers 50c for each photostatic copy or page of written material prepared on the new copying equipment which you have so often referred to. I ask you a direct question, is it true that a comparative investigation would reveal that your campaign literature was prepared on this machine at the expense of the taxpayers of Duplin County? And were the members of your staff USED to help prepare this literature for your campaign?

Mrs. Williams, a statement would be well in order at this time as to the circumstances surrounding the recent termination of your services as Clerk to the Board of County Commissioners.

Again, I quote your own statement, "We must tell it like it is, we must recognize the blunt tools of those who try to divert attention from the job we are doing." Reference is made in your campaign literature to your untiring devotion to your family and your county, all of which appears to be somewhat conflicting. Certainly you should be able to care for your family on a salary of \$7,920.00 per year, however I ask you if you and your husband have not been separated for quite sometime, and will the public records of the Duplin County Welfare Department show that you have during recent months shifted a major portion of your family-financial responsibility to the Taxpayers of Duplin County? And is it true that the unusual circumstances surrounding the welfare case in question warrants a full scale investigation by County, State and Federal Agencies?

These questions have been asked of you in the hope that the May 4th voters will be able to make the right choice of a candidate to serve as their Register of Deeds. The voters of Duplin County await your reply!
