

Calypso School Fourth Grades Take Trip

The fourth grade class from Calypso Elementary School made an interesting trip to various points in Goldsboro, N. C. on Thursday, May 16.

The trip began with a visit to the Harry Fitzhugh Lee Steam-Electric Generating Plant. Here the students were given a simple explanation of how a steam plant produces electricity. They were taken

on a tour through the plant which was highlighted by an electric ride to the top of the tower as high as a seventeen story building where they could view the entire island and lake. This visit was a climax to a science unit on types of power.

Next they toured the Made-Rite Bakery where they saw bread, rolls, and buns being made and packaged mainly by

machinery. At the end of the visit each child received a pencil and an oatmeal cookie.

The most enjoyed by all was the delicious lunch prepared by the Calypso Elementary School lunchroom and eaten in leisure at the Herman Park. After lunch the students played on the playground equipment and enjoyed numerous rides on the Petticoat Junction train.

The last visit of the day was made to Barry Incorporated of Goldsboro where the students learned how bedroom slippers are made. The students were very interested in the modern machinery which was being used in an assembly line.

They returned to Calypso a tired but very happy group of boys and girls. The trip as a whole was quite successful and educational.

SAY YOU SAW IT IN THE TIMES - SENTINEL

LEFT TO RIGHT:

Barb Williamson, Rosemary Roberts, Gwen Bell, Ann Whitfield, Sheila Hatch, Ruth Coley, Vickie Andrews, Connie Daniels, Jeffrey Parker, Judy Pridgen, Jane Cotton, Melba Ezzell, Vickie Bell, Aileen King (hidden), Gall Daniels, Mary Hazel Kornegay, Claire Kornegay, and Koren Ezzell.

The piano students of Mrs. Ernesteen

Summerlin were presented in recital at the Calypso Elementary School Auditorium on May 17. There were eighteen students performing. Guests for the occasion included parents, friends, children from grades three through six, and faculty members. Mrs. Summerlin presented award pins for outstanding work to Ruth Coley, Claire Kornegay, and Judy Pridgen.

FIFTY THREE SECOND GRADERS JUST RETURNED FROM THEIR ESEA TRIP

On May 24 the second grades of Calypso Elementary School took their ESEA trip to Southern Bell Telephone Office, Ash Street Fire Station, and Herman Park. At the telephone office the children were told and shown how the telephone system works as a daily means of communication. They were shown how the direct dialing works, saving the public many hours of time. The switchboard was quite interesting. At the information desk they were shown how the operators give information to all parts of the world concerning the surrounding area.

At the first station the children were shown the living quarters of the firemen and the method

of dressing quickly -- the sliding down the pole. We also saw the different trucks and all type equipment used.

The observation and explanation shown and given to the children, they were able to understand the important part the firemen play in our daily lives as a very important member of our community.

A social hour was enjoyed at Herman Park. Here the children ate the delicious lunch prepared by the Calypso School lunchrooms personnel. After lunch a ride was taken on the miniature train.

On the way home an iced drink was enjoyed by the group.

Adrian Roberts, Jr. Receives Degree

ADRIAN ROBERTS

Adrian Ray Roberts, Jr., son of Mr. and Mrs. Ray Roberts, of route 2, Mount Olive, received a Bachelor of Science in Education Degree in graduation exercises at East Carolina University Sunday, May 26. Roberts along with fifteen others, graduated "Magna Cum Laude" (with high honors) from a graduation class of more than 1,600.

While at East Carolina, Roberts has been active in many student organizations and honor societies. He has served as historian of Gamma Beta Phi and secretary of Phi Sigma Phi; he was recently elected to membership in Kappa Delta Pi (all honor societies in education). In addition, he was a member of Phi Mu Alpha Sinfonia, the Men's Honor Council, and the Student Government.

Roberts recently won a \$2,000 assistantship to apply toward work on a Master's degree in education administration and will continue this work through the summer. He plans to start his teaching career next fall. He is a former graduate of North Duplin High School in Duplin County.
