

we care

**"a bit more"**  
is what makes  
our white bread better!

We're talking of course about Jane Parker White Bread.

We use a bit more milk than we have to, to give you a richer loaf.  
We never use milk substitutes.

We use a bit more shortening than we have to,  
to give you a softer loaf... the way you like it.

We use a bit more sugar than we have to,  
to give Jane Parker more flavor.

We do one more thing that hardly anybody does.  
We date our Jane Parker White Bread.  
It's the only absolute guarantee of freshness  
you have... unless you bake your own.

And speaking of guarantees,  
we unconditionally guarantee you'll like it.

So, you see, we really do "a bit more."  
Since Jane Parker Bread is sold only at A&P,  
shouldn't A&P be your store?
