The world was beautiful--the whole wide world, and it was even more beautiful with so many gathered to receive instructions.

Never before have so many traveled so far, on a hot afternoon, to receive a warmer hospitality than was received from our district.

Refreshments were served after the meeting with the hostess chapter in charge. The ice cold punch was most tasty and greatly appreciated--also ham biscuits and cake squares were served.

Thanks for all of the many efforts, even in the smallest way, and especially to the Wallace Lodge for sharing the large roomy building with us.

The Eighth District extends a cordial welcome to each of you to visit us again, in the morning or evening, come when called for, or come without warning, the more often you visit us, the more we'll adore you!

To those of you who were stricken with the heat because of an extremely hot summer night, we hope that the refreshing dew of the night, strengthened you and that you are well again.

It was a Grand, Great Day. With love and deep gratitude for having made this a great, grand occasion--thank you much.
