A Short Story

Two ants were standing near a golf ball out on the golf grounds. A preacher stood over the ball with a club. Again and again he swung the club; but he couldn't seem to hit the ball. He sliced a deep furrow on one side and then he sliced a deep furrow on the other side of the ball. Alarmed, one of the ants said to the other ant, "If we want to survive, we're going to have to get on the ball."
