Linebacker Jimmy Smith broke through, knocked the ball from Jerome, picked it up and skirted 28 yards for the Rocout of the top ten.

The Bulldogs pushed across touchdowns in the first and kets lone tally.
Standouts for the Bulldogs on defense were Tony Pigford, Archie Carter, Melvin Ward. second periods and Glady tur-ned the water on while the Buldogs set on the ball until the

and Mike Phillips.

The Buildogs lead infirst downs 10-3, and netted 191 yards while Jones Central had 58.

As to the "really big one" this Friday night against South

Jerome one yard then 13 for Lenoir at Legion Field, . . no comment. If the Bulldogs should take this one it will give them take this one it will give them ference championship. Good Luck Bulldogs.

......

James Kenan scored in the

second quarter last Thursday night to defeat Richlands 6-0

in an ECC game. The Tigers hard running Larry Sanderson scored the only touchdown of the night from the five yard line. James Kenan moved 84 yards for the TD highlighted by a 85 yard jaunt by fullback John Shippen.

Football Highlights The feature attraction in the Southwest Conference matches the two teams tied for the lead, 19th-ranked S.M.U. and Texas Tech. The air-minded Mustangs will barely fly by the Red Raiders: Southern Meth-

odist by two.

And in the Pacific Coast Conference, Oregon State meets Washington State. The Beavers are favored to remain tied with Southern Cal and California for the league lead. . . Oregon State by 10 points.

Here are three other real flea-wallopers! The 5th ranked Irish of Notre Dame will clip the Spartans of Michigan State by 17 points. . . Syracuse, #10, will just slip by lith-rated California. . . and Houston and Mississippi, 13th and 14th respectively, are just three points

Educators Attend ECU Seminar

GREENVILLE --- Educators from throughout North Carolina last week attended a seminar for elementary school principals conducted here by the East Carolina University School of Education.

"Pros and Cons of Ungraded School," the topic for discussion at the one-day seminar last Thursday, Oct. 10, was presented by four speakers.

Speakers included Herman Parker, principal of Berkeley Manor Elementary School at Camp LeJeune; Betty Forrest, principal of Elmhurst School in Greenville; Tom Masten, principal of Perquimans Central in Winfall and Martha B. Carraway, principal of West Greene Elementary School in Snow

Eighty-seven principals from throughout the state attended

the seminar which was devoted in part to group discussion.
Attending from Duplin was
William D. Thigpen of Beula-

apart. The favorite, Houston.

Water is basic to all living things. The human body is composed of about 71 per cent water. We cannot afford not to be con-

cerned about water.

The soil is our greatest reis why soil conservation programs help assure us of pure,

niture is soon outgrown. Though of paper construction or nonwoven fibers, these items are built sturdily enough to last for the time they will be needed. are expected to perform in short-term; not long-term situ-Mrs. Little says, "to talk of paper furnishings that can be drycleaned or restored to last a long time. The main idea is disposability."

Short-term furnishings could be an answer for the young couple who cannot and does not wish to put much money immediately into permanent furnishings, Mrs. Little belie-

*** Economic Developments

We consumers enjoy many benefits from conservation farming. . . benefits that mean more food on our table. . . a better variet y of food. Conservation farming also means better places to live, work, and also have better places to live, work, and play. It means improved business in town. Soil and wa-ter conservation helps farmers make these benefits available to you. In North Carolina farmers are receiving technical assistance from the USDA Soil Conservation Service through their local soil and water conservation districts.

Pure Water

servoir for pure water. This usuable water for today and the

Ryder Rotary Speaker

for future generations.

The Warsaw Rotary Club had as their guest speaker Mr. Jack Ryder of Kinston N.C. at their regular meeting Thursday October 17.

Mr. Ryder , Newspaper Ed-itor and Radio Station Owner spoke on current events. He related on the Welfare Program as administred throughout the country today and how payments vary to participants in different sections of the country. Finding employment for many of the welfare receipents, Mr. Ry-der asserted, would relieve them from welfare payments and instil in them a sense of pride.

The Club had as their guests Dr. Carl Price of James Sprunt Institute and Mr. Charles Yelverton, Superintendent of Duplin County Schools, Cherie 10.99 Look casual, feel relaxed in these fall newcomers.
