## Approves Request

The Farmers Home Administration has announced that its fiscal 1969 budget will provide \$7.6 million for water and sewer improvement projects in 31 North Carolina communities.

The total includes \$628,000 for outright grants, and the remainder for long-term loans, to help finance these projects in rural areas.

Pink Hill was listed among the towns receiving a combination loan and grant.

year was rewarded by over 140 addresses which were printed in the Duplin Times. This resulted in many warm greetings to our boys. Many boys wrote of how happy they were to receive messages of Christmas cheer and the general response was a feeling worded in a letter to this writer from one who wrote "It feels so good to know you're not forgotten." A card, at our regular postage rate, can give this feeling to many boys.

Send your Duplin Service Man's name and address to Mrs. L.A. Wilson, Rose Hill N.C. and it will be published in the Duplin Times in order for well-wishing friends to send him a greeting. You do not have to know him personally to wish him well, so send greetings to as many as you can, or all (as some folks at home did last year).

Here is the first list—clip it and keep it safely and—by all means—use it.
