Guest Speaker

Eck Wall, Executive with the tobacco industry, spoke at the Warsaw - Kenansville Rotary Club November 14 and pointed out some changes within the tobacco industry at the present time. Mr. Wall stressed the need for farmers to sell their entire tobacco crop on the local market rather than to sell on some of the other belts. Farmers, by doing so, are taking a lot of money out of the area that would be spent with local merchants. The 1968 tobacco sales at the warehouse level was a very orderly one - much improved over previous years, Mr. Wall stated.

Guest from James Kenan High School were Sprunt Hall, Jr. and Ralph Le Grand.

The Club was delighted to have as guest of Charles Yelverton, Mr. J.T. Denning, Supt. of Public Schools in Sampson County.

Cypress Creek Club received State honors in club activities and in community service. The club was presented certificates and a cash award of \$50 for their work in community service.
